Crisman, though he had arrived in Covington, was unable, by reason of sickness, to be present, and that, at the Moderator's request, the opening sermon would be preached by the Rev. G. L. The constituting prayer was then offered by the Rev. James Ritchey.

REPORT NO. 1 ON JUDICIARY.

The Committee on Judiciary submitted Report No. 1, which was amended and then adopted as follows, viz.:

Your Committee on the Judiciary respectfully report that they have considered the following questions and subjects submitted to them, and submit the following conclusions and recommendations:

1. The Memorial from Bonham Presbytery requests that the Synod be made the final Court of Appeal, except upon doctrinal and constitutional questions. Section 67, on page 119, of the Book of Church Government provides that "Every decision made by any Church Court, except the highest, is subject to the review of a superior court, and may be brought before it by general review and control, reference, appeal, or complaint."

2. The memorial from Tulare Presbytery propounds the following question: "Has a Presbytery the power to depose a Ruling Elder?" In answer to this question, your committee say that, as a general rule, the Session is the only Church court that has original jurisdiction to hear charges, try and depose a Ruling Elder. But when, from any cause, a fair and impartial trial can not be had before the session, or where the trial of the cause, for sufficient reasons, is referred by the Session to the Presbytery, or where the case is removed by appeal from the Session to the Presbytery, and is there heard and determined, the Presbytery may depose an Elder, but not otherwise.

3. The memorial of West Prairie Presbytery requests that such rules and regulations be adopted by the General Assembly as will secure to the Cumberland Presbyterian Churches in all the States the title in perpetuity of all property, real and personal, used and to be used by the Churches for Church and educational purposes.

Your Committee find much difficulty in devising any rule and regulation on this subject that will apply to all the States, for the reason that the right and power to acquire, hold, and use, and dispose of such property for such use and purpose, depends upon the law of the State in which the same is situated, and upon which there is no uniform rule in the different States; and not having the laws of the different States before the committee, so as to ascertain as nearly as may be what rules and regulations may be made with reasonable uniformity, your committee recommend that you appoint a committee of three members of the Church, of legal attainments, whose duty it shall be to correspond with one or more legal men in each State

occupied by our Church, or otherwise ascertain the laws of the different States, and to formulate such rules and regulations as may best secure the title in perpetuity acquired, or to be hereafter acquired for the use and benefit of the Cumberland Presbyterian Church, for Church and educational purposes, and report the same to the next meeting of the General Assembly.

R. A. HILL, *Chairman.*

COMMITTEE ON CHURCH TITLES.

The Moderator appointed on the committee provided for in the foregoing report, Ruling Elders R. A. Hill, John Frizzell, J. P. Allen.

REPORT ON SABBATH OBSERVANCE.

The Committee on Sabbath Observance submitted the following report, which was adopted, viz.:

It is the sense of your committee that this subject is of the most vital importance. The Sabbath-day, remembered, indexes the King's triumphal march across the plains of humanity; its desecration marks Satan's foot-prints in his goings to and fro.

The fourth commandment has two objects: 1. Expressing God's will for man's felicity; 2. Subserving his greatest good. The Sabbath was made for man, and its keeping is of perpetual obligation. True Sabbath-keeping is possible only to the life Son-freed. Love for God prevents Sabbath desecration. His commandments are joyous, not grievous, to the Christ-attuned spirit. God-appreciation, Sabbath-appreciation—"one and inseparable!"

The committee calls upon the General Assembly to unqualifiedly condemn all profanation of the holy day. As a partial desecration preventative, we recommend:

1. The enforcement of the statutes, and, if defective, the passage of adequate ones; mindful, however, that while we can not legislate right into the life, we can diminish wrong's out-put.

2. That we pledge God and each other our best possible Sabbath-day living; and that we will maintain, to our utmost ability, the sanctity of the Christian Sabbath—our Lord's day.

3. That we favor most heartily a Sabbath Congress of Canada and the United States to arouse Christian sentiment on the subject.

4. That you provide to hear a sermon on Sabbath Observance at your next sitting; said sermon to be delivered by Prof. R. V. Foster, D.D., of Cumberland University, Lebanon, Tenn. Signed on behalf of committee,

J. W. MACKAY, *Chairman.*

REPORT ON SABBATH SCHOOLS.

The following Report of the Committee on Sabbath-schools was adopted:

Your committee express profound gratitude to the Great Head of the Church for the progress which our beloved Zion has made in this department of Church work. By a comparison of the statistical report of the present year with the years of the past decade, we find that there has been a very healthful growth. For instance, in 1878 there were teachers 5,597, scholars 51,587; in 1880, 7,117 teachers, and 54,813 scholars; in 1882, 58,000; 1884, 68,000; 1886, 75,000. These figures certainly present a most gratifying increase of the Sabbath-school work, and we are glad to learn that there is a growing sentiment with Cumberland Presbyterians everywhere in favor of denominational schools, which ought to, and surely will, increase very much the use of our own literature, a result which will be hailed with pleasure by every loyal member of the Church.

Your committee are of opinion that many of our preachers and Sessions are too negligent in reference to the use of Sabbath-school literature. We would therefore recommend that each minister in charge of a congregation, or in any way connected with a Sabbath-school, and each Church Session be urgently requested to do all they can to secure the use of our own Sabbath-school literature in their respective fields.

The Report of Rev. J. H. Warren, Superintendent of Sabbath-schools in the Cumberland Presbyterian Church, which was referred by your reverend body to us for consideration, is hereby made a part of this report, and reads as follows:

To the General Assembly of the Cumberland Presbyterian Church, convened at Covington, Ohio, May 19, 1887:

REVEREND AND DEAR BRETHREN:—I submit the following report as Superintendent of the Sunday-school work of the Church. After my election last May, it was my purpose to devote my entire time and energies to this work, but we found the same difficulty in the way which had existed from the beginning—no money in the treasury, and no prospect for any until after "Children's Day," June, 1887.

That another year might not pass without something being done, I agreed with the President of the Board of Publication that if the Board would furnish all necessary printed matter, stationery, etc., I would do what I could to get the work inaugurated during the year. This I have done the best I could, consistent with my health and other duties. The line upon which we have been working has been to find out the Sunday-school status of each Church in the denomination. By this I mean to find out the Churches having Sunday-schools, and how many are denominational, and how many are union, and the Churches that have no Sunday-schools. Also the schools patronizing our own literature, and those taking literature not our own.

Through the Clerks of Presbyteries we first secured the names and post-office addresses of Clerks of Sessions of all the Presbyteries except five, viz.: Florida, Hiwassee, Kentucky, Leavenworth, and Louisiana, which make in all 2,478 Clerks. Many of the Clerks of Presbyteries in making their reports, stated that they only reported the live, working Churches, leaving out a great many that are dead, or in a semi-organized condition. To these 2,478 Clerks of Sessions has been mailed a circular letter addressed to Sessions, in which this Sunday-school work is brought to their attention, also a Sunday-school blank to be filled out and returned. It is possible that a great many Sessions have not considered the circular letter, but very many have, and report hearty indorsement and promise co-operation.

To this date, May 16, 1887, 850 Sunday-school reports have been received. These reports bring out some interesting facts which can not be included in this paper. Of the 850 Sunday-schools reported, 436 are denominational, 306 union, and 108 Churches report no schools. Of the denominational schools, 370 patronize our own literature and 66 do not. Of the 306 union schools, 80 patronize our own literature and 226 do not. Then of the 742 Churches reporting schools, 450 use our Church literature and 292 do not. About one third of the Churches to which blanks have been mailed have sent in reports. At this rate, if full reports could be had from all the Churches in these Presbyteries, there are 2,226 Churches that have schools, of which number 1,308 are denominational, and 918 union, and 324 Churches have no schools. There are of these 2,226 denominational and union schools, 1,350 that use the Church's literature, and 876 that do not. This is approximately the true status of the denomination in Sunday-school matters.

In the Sunday-school blanks sent out to Clerks of Sessions is this request: "If you do not take the literature of the Church, please state the reason why." Many and various reasons are given, but the two leading ones are: (1) A want of sufficient grade in our own literature; (2) Price too high. These reasons are given by some of our strongest schools, as well as by

some of the weaker ones, and hence merit attention at the hands of the General Assembly.

The last General Assembly designated the first Sabbath in June of each year as "Children's Day." An exercise for this day has been prepared, and is now being mailed to all schools desiring it. The indications now are that many schools will observe the day.

I ask your body to consider the following points:

1. The relation between the Church Session and the Sunday-school. From the reports received, in a large majority of our Churches the Sessions seem to have no voice in the management of the schools. Is it not Presbyterian that the Session shall have immediate supervision of the Sunday-school? And, furthermore, is it not the duty of Church Sessions to see to it that Sunday-schools are organized in their respective Churches, if at all practicable, and that the members and children of the Church are gathered together and taught the word of God and the distinctive doctrines of our own Church? I think this is one of the greatest difficulties in the way of the Sunday-school work of the Church to-day. Church Sessions, as a rule, do not seem to feel that they are responsible for the organization and management of Sunday-schools in their Churches.

2. The number of Churches without Sunday-schools and the number of union schools. According to my estimate, which is certainly approximately correct, there are 324 of the former and 918 of the latter. A Church without a Sunday-school certainly can not maintain its existence long. This is true in the very nature of things. The number of union schools seems to me to be too great. Any way, according to reports, there are Churches with a membership of two hundred that have union schools. Certainly there can be no excuse for this.

3. The Sunday-school literature. It is claimed that the *Comments*, *Rays of Light*, and *Lesson-Leaf* are substantially the same, so we have four lesson helps but only two grades. There is a persistent demand that the price be lowered. If this can be done it ought to be done; if it can not, then the reasons ought to be given the Church, clearly and distinctly, which ought to satisfy all. The more I look into this Sunday-school work, the more impressed am I with the fact that it is one of the most important and yet one of the most neglected fields in the Church. According to the Minutes of the last General Assembly, the membership of the Cumberland Presbyterian Church is 138,564, and pupils in Sunday-school, 74,576 or a little more than one half as many pupils in Sunday-school as membership on our Church roll. This is certainly not an encouraging condition of things. There must be a change or the Church will suffer. There is no other Church in this land, of which I have any knowledge, with such a state of affairs. Let us wake up on this subject. Our prosperity depends on it. Church Sessions should look after the organization and management of Sunday-schools in their Churches. This fact ought to be impressed on them through Presbyteries. Every Church in the denomination ought to have an organized Sunday-school, and the Session ought to be among the teachers and pupils. The fact is, if Sessions are not responsible for these things who is?

While we ought not to be bigoted Cumberland Presbyterians—and I think there is not much danger of such a charge being made—yet every

Sunday-school held in a Cumberland Presbyterian church-house ought to be denominational, if at all practicable. Our own literature ought to be in the hands of the children of the Church. And not only this, they ought to be taught at home and in the Sunday-school the doctrines of our Church. How can we expect them to love the Church unless this be done?

Now, my dear brethren, I leave this matter in your hands. I trust that the Sunday-school interest of the Church will be fully considered during your Sessions. It would afford me great pleasure to be present and speak to you about things which I can not mention in this report, without making it too long, but my health will not admit.

May the blessings of the Lord be with you in all your deliberations.

I am respectfully, J. H. WARREN.

Brother Warren has collected some facts about our Sabbath-school work which are no doubt valuable to this General Assembly. But your committee are unable to determine whether the work which he is able to do is of sufficient value to the Church and the Sabbath-schools to warrant the expenditure of the money necessary to keep him in the field. We do not, therefore, recommend his continuance, but ask the General Assembly to carefully consider this matter, and dispose of it as it may think advisable.

Respectfully submitted. W. M. ALLEN, *Chairman.*

OREGON SYNOD.

The Committee on the Records of Oregon Synod made the following report, which was referred to the Committee on Judiciary:

Your Committee on the Minutes of Oregon Synod respectfully report as follows:

We have examined the Minutes of Oregon Synod for Session of June, 1886. We find the Minutes in good form, and no departure from the usages of our Church, except the following paper which was adopted by that body:

"WHEREAS, Much of the Christian work of the world is done by faithful Christian women, and

"WHEREAS, They are safe in counsel and zealous in effort; therefore,

"*Resolved*, That we invite the various congregations within the bounds of this Synod to send each one lady representative to future meetings of the Synod who shall have a right to speak upon all subjects not considered in interlocutory session, and exercise an advisory influence on all matters before the Synod relating to the interests of the cause of Christ within our bounds."

We think this a departure from the usage of Presbyterianism of doubtful propriety, and dangerous tendency. Not on the ground of sex, but because it is calling lay members into a judicature of the Church in a semi-organic way. W. B. WITHERSPOON, *Chairman.*

REPORT NO. 2 OF COMMITTEE ON JUDICIARY.

The Committee on Judiciary submitted the following Report No. 2, on the matter presented in the foregoing Report on the Records of Oregon Synod, which was adopted:

The Committee on Judiciary have considered that part of the Report of the Committee on the Minutes of the Synod of Oregon, which has been referred to this committee, and report thereon as follows:

We are of opinion that said report should be adopted, and we so recommend.

The proposed action of said Synod would, as we think, be in conflict with our government, and for this reason, as well as the reasons assigned in the report under consideration, said action should not be approved.

Respectfully submitted. R. A. HILL, *Chairman.*

REPORT NO. 3 OF COMMITTEE ON JUDICIARY.

The following Report No. 3 of the Committee on Judiciary was adopted:

The Committee on Judiciary have examined a memorial complaining of the action of the Synod of Ohio, reversing a decision of one of its Presbyteries, and in addition we have before us the Minutes of said Synod.

The action of the Synod was based upon a memorial accompanied by what purported to be a copy of the Action of the Presbytery complained of, but the Minutes of the Presbytery were not before the Synod, nor was any notice given to the Presbytery, or any other step taken to have the parties represented before the Synod.

We are of opinion that under these circumstances the Synod did not have jurisdiction of the matter, and hence, without expressing any opinion upon the merits of the question presented, we recommend that the case be remanded to the Synod, to be proceeded with upon review of the Minutes of the Presbytery, or when it shall otherwise obtain jurisdiction in some of the modes prescribed in the Government of the Church.

In the views thus presented we follow the action of the General Assembly, 1878, page 31, upon a similar question.

Respectfully submitted. R. A. HILL, *Chairman.*

PENNSYLVANIA SYNOD.

The following Report of the Committee on Minutes of the Pennsylvania Synod was adopted:

Your Committee on Minutes of the Synod of Pennsylvania report that we have examined the same, and find them well arranged, in good order, and in the main in accordance with your constitution.

On page eighteen we find what we consider a departure from the teaching of your book, page 89, viz.:

That where two or more congregations are confederated together under the care of one minister, as pastor or supply, their right to representation, in their individual capacity, is conceded to the confederation, and while thus united are entitled to but one representative.

1. We think this action of the Synod tends to an unequal distribution of power among the Churches, allowing the pastor of one Church equal power with the pastor of two or more Churches.

2. We do not believe an Elder can represent a congregation in Synod, of whose Board of Elders he is not a member.

Respectfully submitted. H. J. RAY, *Chairman.*

REPORT ON EDUCATION.

The following Report of the Committee on Education was adopted:

Your Committee on Education submit:

1. That there is an abiding conviction in the hearts and minds of our people that we must educate both the ministry and laity, male and female; and under this conviction there is a constantly increasing interest, and manifest advance toward higher attainments in all the departments of useful knowledge. The closing year is exhibiting gratifying results in all your school enterprises.

2. It is also gratifying to note that some of our young men are receiving large benefits from some of the private schools conducted by our brethren.

3. The Report of our Board of Education, which has been referred to us, furnishes important statistics and shows a decided advance in educational interests, and is herewith returned as a part of this report.

4. Your agent, Rev. J. S. Grider, has done a noble work for the endowment of the Theological School, and has prepared the way for a much greater work, and your committee recommend that he be continued in the field.

5. The Report of the Trustees of Cumberland University has been referred to us, which is thoroughly satisfactory in its details, and is herewith submitted as a part of this report.

6. The School for the Colored Cumberland Presbyterian Church at Bowling Green, Ky., for some time past much embarrassed financially, is now in a much more hopeful condition. The contributions made at this meeting of the General Assembly will so far relieve the property of said school from debts as to secure the property for the use and benefit of the Colored Cumberland Presbyterian Church, as a permanent enterprise.

SUGGESTIONS.

1. By reference to the report of your Committee on Education at your last session, we find it recommended that all "institutions of learning under the care of the Presbyteries, Synods, or General Assembly of the Cumberland Presbyterian Church, and operated in the name of the Church be directed to report annually through the Board of Education to this General Assembly," etc. Your committee believe that any institution under the direct control and foster care of the General Assembly, should report directly to that body.

2. Your committee call attention to the fact that there is a large amount of pecuniary wealth now owned and possessed by good and pious members of our beloved Church, who are not only willing but anxious to do good with their substance, and are not fully persuaded as to what investment to make for the greatest good. Therefore, we believe that the attention of these good men and women should in some way be directed to the educational interests of the Church as paramount. "Knowledge is power," and "wisdom is the principal thing." Sanctified knowledge and consecrated wisdom are our greatest engines for good.

3. Our quarterly collections are a convenience by which all our people may be enabled to contribute to educational interests, but this method is

not sufficient to meet the demands of the Church, nor has it been pressed upon the consideration of the whole Church, as its importance demands.

Your committee suggest that all the quarterly collections for education pass through the Board of Education, just as those for missions pass through the General Assembly's Board of Missions.

4. In view of the fact that a large per cent. of our probationers for the gospel ministry can not be found in the schools of the Church or any other schools, therefore we earnestly recommend that all our licentiates and candidates for the ministry first complete a literary course of instruction provided in our colleges and schools, and then attend the Theological School at Lebanon, Tennessee.

Respectfully submitted. J. M. GILL, *Chairman.*

[The Report of the Board of Education, referred to in the foregoing, will be found in its proper place in the Appendix.—T. C. B., S. C.]

REPORT ON PUBLICATION.

The following Report of the Committee on Publication was adopted:

Your Committee on Publication present the following for your consideration and approval:

1. We esteem the literature of the Church of first importance. It is the eye and tongue behind the throne, which give character and force to the whole Church. The eye, therefore, should be single and the tongue should be guarded, that the whole body be decorous and full of light. It should be of the purest intellectual and spiritual type, and of the greatest possible abundance, that the masses may see and know the truth whereby they are made free. We want a body perfect in its vital and subservient parts—great and small—so as to make a complete whole, fitly framed together, so that eye and tongue may be given to every part, and the masses reached. We want the doctrines of the Church given in such forms and expense as may be adapted to the condition and wants of the people—say from two to four page tracts up to the largest and best bound theological works.

2. The committee have before them the Report of the Board of Publication, as referred to them by this body, which is herewith submitted. The report is very gratifying in its character. While some of the work has progressed slowly, yet in the main it is satisfactory. It certainly makes a fair exhibit as compared with the previous year, and in fact with all previous years, and represents the literature and work of the Board in a much better condition than ever before.

There has evidently been a marked increase in the circulation, which has indeed been very gratifying to the Board, and gives joy and courage to the whole Church; and we recommend that all the congregations of the Church, so far as may be practicable, patronize the publications of our Board. As regards the other literature published by private individuals in the interest of the Church, we believe there is no just occasion for opposition, and that the only strife should be, who can best work and best agree.

3. The paper referred to us by this body, in reference to the preparation and publication of a Digest of the decisions of the General Assembly of the Cumberland Presbyterian Church has been considered by us, and we

recommend that you appoint a committee, consisting of one person, and that he prepare said Digest and have it published at as early a day as practicable.

We also recommend that you confirm the appointments which have been made to fill vacancies in the Board.

Respectfully submitted. G. L. MOAD, *Chairman.*

REPORT NO. 1 OF COMMITTEE ON FINANCE.

On taking up unfinished business, the following Report No. 1 of Committee on Finance was adopted:

Your Committee on Finance report:

1. That the Report of the General Assembly's Board of Trustees referred to us shows that the Doherty fund is all safely invested in county bonds in the State of Kentucky, and the interest on the same has been collected and paid to the trustees of Cumberland University, to be used for the benefit of the professors in the theological department of said school.

2. The same report informs us that the Residuary Bequest of Mrs. Clara Donnell, amounting to $1,172.34 is on deposit in the bank at Elkton, Ky., subject to your order. Your committee think that this fund should be preserved as a memorial to Sister Donnell.

We therefore recommend that it be and is hereby made a part of the Endowment fund of the Theological department of Cumberland University, the interest of which is only to be used, and that this money shall be paid over to the Treasurer of Cumberland University for this purpose.

3. We note for the encouragement of your body that the late Luther Rollins, of Christian county, Ky., in his last will and testament devised to Rev. J. M. Gill, of Todd county, Ky., for the use and benefit of the Cumberland Presbyterian Church, the sum of two thousand dollars, to be disbursed as he, the said J. M. Gill, may think best. Said bequest will be due and collectable in about twelve months, which, when realized, we have no hesitancy in saying will be judiciously applied.

4. From the report of the Treasurer of the Local Board of Trustees of the Cumberland Presbyterian School (colored) at Bowling Green, Ky., we learn that $1,248.29 has been collected to pay for the school property purchased from John H. Mallory, and has been disbursed as follows:

Paid John H. Mallory on school property	$1,109 84
Paid H. A. Gibson for collecting	80 18
Paid for postal cards, etc	1 50
Cash on hand	56 77
Total	$1,248 29

5. We learned from statements made in your body that the debt upon said property is about $2,500, and we rejoice that ample provision has been made to liquidate said debt; and we would recommend that you impress upon the minds and hearts of the delegates the importance of redeeming their pledges within two months.

6. We find by reading the Report of the General Assembly's Board of Trustees that, to fill vacancies caused by death and removal, they have elected S. D. Chesnut, of Trenton, Ky., H. E. Conover and F. M. Pepper, o·

Elkton, Ky., and they ask your body to ratify their action. We recommend that their request be, and is hereby, granted.

All of which is respectfully submitted.

S. K. HOLTSINGER, *Chairman.*

REPORT NO. 2 OF COMMITTEE ON FINANCE.

The following Report No. 2 on Finance was adopted:

Your Committee on Finance beg leave to submit their Report No. 2:

1. We have carefully examined the accounts of the Stated Clerk of the General Assembly from May 1, 1886, to May 1, 1887, and find the same correct, he by his accounts of receipts and disbursements showing that said fund has been applied as directed by this body.

2. Your committee are of the opinion that the labor required of the Stated Clerk is very considerable, and almost constant, and we believe such as to justify an increase of his salary. We therefore recommend that the salary of said Clerk, from May 1, 1887, to May 1, 1888, be fixed at the sum of six hundred dollars. S. K. HOLTSINGER, *Chairman.*

The Report of Committee on Temperance was made the special order for 8 o'clock P.M.

General Assembly took recess till 2 o'clock P.M.

TUESDAY, May 24, 2 o'clock P.M.

OZARK SYNOD.

The following Report of the Committee on the Minutes of Ozark Synod was adopted:

Your Committee appointed to examine the Minutes of Ozark Synod would report:

1. That they find them in good order and in accordance with the requirements of our Book of Government.

2. That we find there resolutions of protest against the action of the General Assembly one year ago, whereby Springfield Presbytery was transferred from Ozark Synod to Missouri Synod, and a request for the General Assembly to repeal at this session said action, by restoring Springfield Presbytery to Ozark Synod, which overture we recommend be referred to the Committee on Overtures.

Respectfully, F. P. LAWYER, *Chairman.*

REPORT ON MISSIONS.

The Report of the Committee on Missions was taken up as unfinished business, and was adopted as follows:

We have carefully considered the report of the Board of Missions and other papers referred to us. The report of the Board is replete with gratifying information concerning the advancement of the work, both in the Home and Foreign fields. There has been a decided increase in material help from ministers and congregations during the year just past. This is

indeed gratifying, and is accepted as an indication of increased interest in missionary work. Your Board and missionaries, both Home and Foreign, may therefore be assured that they are held up to a throne of grace by the earnest prayers of our membership. It is to be hoped that the Church's interest in this cause will be yet more definitely expressed, not only in prayer, but also in larger and more regular contributions to this department of your work. The success of the past should be a cause of thanksgiving to God.

From every field intelligence is received of victories won for Christ. While this is true, and is a source of gratification, it is also true that "there yet remains very much land to be possessed." The fields are "white unto the harvest." The Macedonian cry, "Come over and help us," is heard from all parts of both the Home and Foreign fields. God is placing before us many open doors, and the testimony of those who are in position to judge is, "We are abundantly able to enter." Hearing these calls, and having these assurances of success before us, it will be great unfaithfulness upon our part if we fail to make a determined effort to do our duty in carrying the gospel to those who know it not, and to build up the waste places of our Zion.

It is especially true that the present is the time of golden opportunity for the extreme western portion of our Church. A few more years of negligence, and the time for planting our standard in Iowa, Nebraska, Colorado, and California will pass from us. To possess these places we need and must have men and money. It is the prerogative of God to call the former, and the duty of the Church to furnish the latter. The words of our Savior: "The harvest truly is great, and the laborers are few," is certainly as true now as ever in the history of the world. We must have the laborers, or the harvest will be lost. It therefore behooves the entire Church to unite her supplications to God, that he would send more laborers into his harvest.

Relative to your work in Japan, we hereby express our gratification at the success which has attended the labor of your missionaries. God has been with them in a signal manner, opening to them new fields of labor. We regret that the failing health of Rev. A. D. Hail compelled him to return to America, yet we are exceedingly glad to have him in our midst, believing that his presence will be blessed of God in the imparting of information and inspiration to the Church. It has been a pleasure to us to meet and hear him on the present occasion.

We are pleased to note that the work inaugurated in Mexico is opening so favorably. Rev. A. H. Whatley has been in the field for fourteen months, preparing the way, and is now to be reinforced by Rev F. P. Lawyer, who has been consecrated during the present session of the General Assembly.

Concerning the work among the Indians, we have received information that it is gradually developing. From Rev. J. H. Kelley we learn that the great need there as elsewhere is consecrated men and money.

A survey of the Home field as presented by the report of the Board is exceedingly encouraging. The devotion and faithfulness of the missionaries employed is worthy of commendation.

We especially approve the policy of the Board in concentrating its energy and funds on important places until self-supporting congregations are established.

We refer with gratification to the work of the Woman's Board of Foreign Missions. It has been a pleasure to receive the greetings of said Board by Mrs. G. W. Van Horn. We are rejoiced at the great prosperity which has attended the Woman's work during the year just past. We hereby commend said Board for its diligence and zeal in the work of the Lord.

In view of the foregoing we present for your adoption the following, viz.:

1. We recommend that you confirm the action of the Board in appointing Isaac H. Orr to fill the vacancy occasioned by the resignation of A. A. Rowland, M.D.

2. We recommend that Rev. D. E. Bushnell, D.D., be appointed to deliver a discourse on the subject of Missions at the next meeting of the General Assembly, and that Rev. M. B. De Witt, D.D., be appointed as his alternate.

3. We emphasize the recommendation of the last Assembly that Synods and Presbyteries devote a part of their time at each meeting to a discussion of Mission themes, with a prepared programme.

4. We recommend that you designate the first Sabbath in January as a day for concert of prayer for your work in the Home field, and the first Sabbath in July for concert of prayer for your work in the Foreign field.

5. The memorial from the Colesburg Presbytery asks that the Board send them an evangelist at an early date, stating that the expenses of said evangelist can be mostly raised in the field. The memorial is herewith returned, and we recommend:

(1) That you refer the same to the Board, calling its especial attention to this field as one of great importance to our Church.

(2) We accept that the Board should be the judge as to the practicability of making the appointment; yet we would wish to have the expediency of this agency tested.

In this connection we state that the necessities of the San Jacinto Presbytery have been presented to us in a resolution, and are also referred to the Board.

In respect to the Church-erection Fund, we recommend that an earnest effort be made on the part of the Churches to greatly increase this fund, so as to be able to do the work expected of us in extending our denominational influence in the centers of power and population in this country. This is a matter of very grave importance, and our pastors should so emphasize it before their people. Individual offerings and Church collections should be taken for this good purpose and sent to the Board. We recommend that you hereby urge the Board to employ a suitable agent at the earliest day possible.

6. In relation to the action of the Board in appropriating three hundred dollars to the sustenance of the Colored Cumberland Presbyterian School at Bowling Green, Ky., we recommend that you approve said action, and we further recommend that the Board of Education complete the work of paying the debt on the property of said school; when this is entirely canceled that the property be deeded to the trustees of the General Assembly of the Cumberland Presbyterian Church; when these steps have been taken,

then the control of the school be transferred to the Board of Missions in such way as to make it a channel through which gospel culture and enlightenment may the more readily reach the people of color in this country. In the meantime the Board is authorized to make such appropriations as it may deem best for the furtherance of this cause.

7. We have given much thought in the deliberations of the committee to the paper before us relative to the preparation of the women of our Church for special missionary work both at home and abroad. The importance of a full and systematic training along these lines of Christian activity can not be too highly commended and emphasized. The field of woman's work for women is being wonderfully developed and calls are coming, earnestly petitioning for more and better equipped workers for these departments. Their preparation can not be too thorough—the very best we can give them they should have.

A training in theology or in the interpretation of the Scriptures alone can be only a partial equipment for their peculiar work. A knowledge of medicine, of nursing, of practical Christian work in its various details, along with many other things not specially taught in our seminaries of learning, should be a part of this training. We think, therefore, that this good end can not be reached by their attendance as students in the theological department of Cumberland University.

We recommend, therefore, that the matter of the establishment of a training school for women, be referred to the Board of Missions, and the Trustees of Cumberland University for investigation, and such action in the premises as they may deem wise and practicable.

If it is thought best to establish such a school, then this General Assembly authorizes said Boards to establish in Lebanon, Tenn., a school of the character named above, prepare a curriculum of study, and make all necessary arrangements for the introduction and progress of such an institution of learning.

8. We have considered the memorial from the missionary society connected with Cumberland University in regard to the establishment of an English Training School in Japan. We are extremely gratified with the missionary spirit prevailing in that venerable institution of learning. This should be fostered with the greatest care, yet in an undertaking of such far-reaching importance as that of instituting a school of learning in a foreign land, we should understand every step taken. Therefore, we recommend that this whole matter be given to the Board of Missions for investigation, and that they proceed as they in their wisdom may see best.

Respectfully submitted. S. L. RUSSELL, *Chairman.*

REPORT NO. 4 OF COMMITTEE ON CORRESPONDENCE.

The Committee on Correspondence submitted the following Report No. 4, which was adopted:

Your Committee on Correspondence would submit the following as Report No. 4:

1. We have considered the memorials referred to us from the Memphis, Morgan, and Republican Valley Presbyteries, asking for the discontinuance of the connection of the Cumberland Presbyterian Church with the "Alli-

ance of the Reformed Churches holding the Presbyterian System," said memorialists basing their request on financial grounds. We recommend that you continue the connection of our Church with the "Alliance" from the following considerations:

(1) The amount of money involved is not sufficiently great to be a serious burden.

(2) The connection of our Church with the "Alliance" has already brought the system of doctrines which we teach to the attention of the Christian world as it has never been brought before, and what Cumberland Presbyterians believe is better and more widely known and understood than at any previous time in our history, and has placed us alongside the other members of the great Presbyterian family in this and other lands, showing that we are essentially Presbyterian in all that is distinctive in Presbyterianism.

(3) The "Alliance" has already become a medium of greater fraternity between the Churches forming the same, drawing them nearer together, promoting better understanding between the great Christian organizations of the Presbyterian family, and is likely to become the medium of a practical co-operation in foreign fields.

2. We have considered the paper referred to us from the General Assembly of the Presbyterian Church in the United States of America, and would recommend the following action:

That this General Assembly most cordially and heartily reciprocates the fraternal feelings so frankly set forth in said paper, and takes pleasure in expressing a readiness to confer with the Churches represented in the "Alliance of the Reformed Churches holding the Presbyterian System" in reference to "co-operation in the work of extending the faith and order which we hold, and especially in regard to unity of effort and organization in the mission fields abroad," believing that such co-operation would have a powerful influence for good in advancing the cause of our common Redeemer, and approximating an answer to his prayer "that they all may be one as thou Father art in me and I in thee, that they all may be one in us, that the world may believe that thou hast sent me."

3. With reference to the commmunication of Rev. W. J. Darby, a member of the American section Executive Committee of Presbyterian Alliance, conveying to us the action of the Alliance Committee on co-operation in Foreign Missions, we report as follows:

(1) In the matter of the relation between our Mission in Japan and the "Union Church of Christ" composed of all other Presbyterian Churches doing mission work in that country, we cordially reciprocate the sentiment of the "Alliance Committee," who "express the extreme regret with which they would witness the permanent establishment of two Presbyterian Churches in that country."

(2) The General Assembly of the Cumberland Presbyterian Church by a unanimous vote took advanced ground two years ago in the following language: "We believe union on the Foreign Mission field is desirable, and will cheerfully enter into whatever measures may seem best, looking to that end. Instead of transferring our differences to mission lands, we would join our sister denominations in the plan of establishing one Presbyterian

Church in each mission field. We regard it as very desirable, if not essential, to formulate a short and simple yet comprehensive creed in harmony with and containing the essential doctrines held by the Churches composing the Alliance, the same to be used in ordaining native ministers, elders, and deacons."

(3) The General Assembly has full confidence in its missionaries in Japan and in the native members of the Churches organized and trained by them. The conducting of negotiations for union with the other Presbyterian Churches in Japan is, therefore, intrusted to them with the satisfaction that they will act intelligently for the best interests of mission work in that country, also that in any basis of union that may be agreed upon they will be careful to preserve untrammelled their privilege to hold and teach such views of the holy Scriptures as are peculiar to the Cumberland Presbyterian Church.

(4) In case such a union is entered into it is understood that the missionaries sent out by our Board will continue to be under its direction in their work, and will be supported by its funds the same as if said union did not exist. They will hold their ecclesiastical relations with the Church in that country, but will be recognized in all other respects as belonging to us and when in this country and present at the General Assembly or other judicatures they will be entitled to seats as advisory members.

(5) We earnestly pray that the Head of the Church will graciously guide all concerned in this important matter.

4. The General Assembly hereby directs the Stated Clerk to transmit a copy of this report to the chief courts of the Churches composing the Alliance, and to the Executive Commission of said Alliance.

Respectfully submitted. J. S. HOWARD, *Chairman.*

The General Assembly took recess till 8 o'clock.

REPORT ON TEMPERANCE.

The General Assembly met, and took up the special order, which was the report of the Committee on Temperance, whereupon several addresses were delivered on the subject of temperance by members of the General Assembly, and the report was adopted as follows:

Your Committee on Temperance beg leave to make the following report, to wit:

While we regard the former utterances of the General Assembly of the Cumberland Presbyterian Church upon the subject of Temperance and Prohibition, as pure and sound, we desire to add that wherever evil and wicked influences are found to exist, the Church of God should be boldly arrayed in opposition thereto. And whenever legislation is necessary for the eradication of such evil as emanates from customs, habits, or from a class of business, or any traffic, the Church and every member thereof,

irrespective of political affiliations, should, by all lawful means, seek to secure laws, the execution of which will bring the necessary relief. We hear the cries of humanity, and listen to the demands of our country, and see the vivid picture as it is daily portrayed in our criminal courts, in prison cells, in asylums for the fatherless young of the land, in dark veiled sorrows of thousands of once happy homes, in wrecked manhood, in ruined womanhood, in clogged wheels in Zion, and a nation drained by taxation, the result of the use and exercise of a privilege permitted by law, and proved to be the greatest and most fatal mistake ever made in our broad country against the cause of "God, and home, and native land," by those who are ever presumed to legislate for the welfare of society, to wit, the privilege of manufacturing for sale, selling, or keeping for sale, as a beverage, any intoxicating liquors whatever, including wine, ale, and beer.

While we have found the Cumberland Presbyterian Church in the front rank with those engaged in the grand and glorious battle against the liquor traffic, and upon the questions heretofore presented, uttering no uncertain sound, yet the great question of the nation, and rapidly becoming that of all Christian civilization, to-day is, the defeat and overthrow of the now legalized enemy of humanity, and of Heaven's plan to Christianize the world, elevate society, and save souls. And to this end, to so amend the fundamental laws of certain States that by constitutional prohibition the fountain of this great evil may be dried up, thereby reaching the point from which all legislation emanating shall be only of a Prohibitory character as to that particular class of business, we find that in the States of Texas and Tennessee the demands of the people have been duly regarded by their respective legislatures, and that they will soon be permitted to decide at the ballot-box whether they shall longer be held as slaves by law to a tyrant more cruel than any whose sway has ever cursed the world; therefore,

Resolved, 1. That it is the sense of this General Assembly that every man called to preach the unsearchable riches of Jesus Christ to a sin-cursed world, and every officer and member of the Cumberland Presbyterian Church should persistently, and with Christian energy, seek by all lawful means to secure for their respective States a constitutional prohibitory amendment.

2. That the failure or refusal of any professed follower of our divine Master to use his profession in favor of, to pray for, labor for, and vote for such legislation as will free the country and God's Church from this drink curse, is inconsistent with the teachings of holy Scripture, and the example of our Savior.

3. That our prayers daily ascend to the Father in behalf of our brethren and the friends of prohibition in Texas and in Tennessee, that they be firm and bold in the discharge of the great duty now upon them, and that they "quit themselves like men."

4. That all organizations looking to, and laboring for, the prohibition of the liquor traffic by every lawful means known to the laws of the land, have our hearty indorsement in their work; and especially do we indorse and we would encourage that noble and self-sacrificing band of women whose indefatigable efforts have won victories for the cause of temperance and Prohibition, which have already brought untold blessings to our nation, and by which the cause of Christ has been greatly advanced.

5. That we most heartily indorse the course pursued by the *Cumberland Presbyterian* on the question of prohibition.

6. That hereafter we use for sacramental purposes the unfermented "fruit of the vine."

Respectfully submitted. JOE. H. FUSSELL, *Chairman.*

The General Assembly adjourned to meet to-morrow morning at 8 o'clock.

Closed with prayer.

SIXTH DAY.

WEDNESDAY, May 25, 8 o'clock A.M.

The General Assembly met, and was opened with prayer.

DEVOTIONAL EXERCISES.

One half hour was spent in devotional exercises.

THE MINUTES.

The Minutes of yesterday were read and approved.

The following protest on the eligibility of a layman to the Moderatorship, was received and referred to a special committee for answer:

We hereby enter our protest against the action of the General Assembly in the election of a Ruling Elder as its Moderator, because we believe it to be a violation of the fundamental principles of Presbyterianism.

Respectfully,

S. H. BUCHANAN,
G. L. MOAD,
S. H. MCELVAIN,
S. FINIS KING,
W. B. WITHERSPOON.

REPLY TO THE FOREGOING.

Your committee appointed to reply to the paper protesting against the election of a Ruling Elder Moderator of the General Assembly report the following paper:

Inasmuch as the brethren offering the protest make no argument on the question, but simply declare that "we believe it to be a violation of the fundamental principles of Presbyterianism," therefore the committee offer the opinion that there is nothing either in the spirit or genius of Presbyterianism violated by such action, and nothing in our Form of Government that forbids the election of a Ruling Elder to this position.

J. S. GRIDER,
J. P. SPROWLS,
E. B. CRISMAN.

REV. J. R. BROWN'S PROPOSITION.

The following communication from the Rev. J. R. Brown was adopted:

DEAR BRETHREN:—I most respectfully call the attention of the General Assembly to the unsettled matter between the Board of Publication and myself, as to a balance due me, as compensation as editor of the *Cumberland Presbyterian*, and which has not been disposed of satisfactorily. I believe and feel that a balance will be found due me if the matter shall be adjusted upon the principles of equity and justice. I ask no more, and I do not believe the Church asks less.

That the matter may be amicably disposed of, I submit the following proposition: That the case be submitted to a commission of three ministers—one to be chosen by the General Assembly, one selected by myself, and the two thus chosen shall select a third one—that the papers giving the facts in the case be placed in the hands of the commission thus chosen, who shall decide the matter, and their decision shall be final and conclusive.

J. R. BROWN.

In compliance with the above communication the Rev. J. R. Brown selected the Rev. G. L. Moad, and the General Assembly appointed the Rev. S. L. Russell on said committee.

ORGANIC UNION—COMMITTEE OF THE WHOLE.

Under the head of unfinished business, the General Assembly went into a Committee of the Whole to consider the subject of Organic Union with the Methodist Protestant Church.

REPORT OF COMMITTEE OF THE WHOLE.

The Committee of the Whole presented to the General Assembly as its report the following paper, which was adopted:

The report of the committee appointed at the meeting of the General Assembly, May, 1885, upon the subject of organic union between the Methodist Protestant and the Cumberland Presbyterian Churches, and which was postponed at the last meeting of the General Assembly for action at this meeting, has been duly considered, and as expressive of the views of the General Assembly upon the subject, it is hereby declared:

1. We are gratified at finding in the action of the joint committee contained in said report, so much of the spirit of Christian fellowship and liberality of sentiment. Such a disposition is to be commended, and should always characterize the intercourse of those who worship the same God, accept the same Christ, and believe in the same Bible.

2. We note with pleasure that in the opinion of the joint committee the creeds of the two Churches are so nearly alike, and that in their opinion the only differences existing are not essential to the Christian system. However, in this connection, and with all deference and respect for the opinions of all concerned we must express our unwillingness to omit from our system of faith a doctrine so precious to us as that of the "preservation of believers."

3. We rejoice to know that in the opinion of the joint committee, the Confession of Faith of the Cumberland Presbyterian Church is, as to doctrines, so full and systematic that it is "confidently recommended by them to the favorable consideration of a joint convention of the two Churches;" and that said joint committee "are of the unanimous opinion that no serious impediment to an organic union exists" in the government of the two Churches.

4. In view of the facts thus appearing, the Moderator is directed to appoint a commission of seven members, who shall be, and they are hereby, authorized and empowered to confer with any commission or committee appointed by the Methodist Protestant Church upon this subject, and with them to agree, subject to the approval and ratification of the General Assembly, upon such terms of organic union as to them may seem right and proper.

COMMITTEE ON ORGANIC UNION.

In compliance with the foregoing recommendations, the Moderator appointed the following committee on Organic Union: S. L. Russell, W. H. Black, A. B. Martin, John Frizzell, A. J. McGlumphy, D. E. Bushnell, E. B. Crisman.

MINISTERIAL RELIEF.

The Report of the Committee on Ministerial Relief was made the special order at 2 o'clock this afternoon.

SYNODICAL RECORDS.

The Committees on the Records of the following Synods reported, and the records were approved: Alabama, Arkansas, Brazos, Colorado, Columbia, East Tennessee, Green River, Illinois, Indiana, Mississippi, Missouri, Ohio, Oregon, Ozark, Pennsylvania, Trinity, West Tennessee.

The Committees on the Records of the following Synods reported that no Minutes had come to hand: Iowa, Middle Tennessee, Missouri Valley, Pacific, Texas.

GREEN RIVER SYNOD.

The recommendation of the Committee on the Minutes of Green River Synod was adopted, and is as follows:

Your Committee on the Minutes of the Synod of Green River report:

That we have examined the Minutes, and find them neatly and correctly kept.

We find therein a memorial to the General Assembly requesting that the name of the Synod be changed from "Synod of Green River" to "Synod of Kentucky."

We recommend that the request be granted, and the name be so changed.

Respectfully submitted. F. T. CHARLTON, *Chairman.*

DELINQUENT SYNODS.

Rev. T. W. Baker offered the following resolution which was adopted:

WHEREAS, This General Assembly is informed that the Minutes of the Middle Tennessee Synod have not been sent to this body for several years for examination; therefore,

Resolved, 1. That this General Assembly censure said Synod for such failure.

2. That it be ordered to send all its unexamined Minutes to the next General Assembly for examination.

3. That this action apply to all Synods which are derelict in duty in this particular.

On motion, the General Assembly took recess until 2 o'clock P.M.

WEDNESDAY, May 25, 2 o'clock P.M.

REPORT ON MINISTERIAL RELIEF.

The special order was taken up, which was a consideration of the Report of the Committee on Ministerial Relief. After some discussion the report was adopted, and is as follows:

Your Committee on Ministerial Relief have had the subject under careful consideration in connection with the Report of the Board of Ministerial Relief made to this General Assembly, and referred to your committee.

We note with pleasure and great gratification the progress and development of this beneficent effort of the Church. The approval and blessing of our merciful, heavenly Father evidently rest upon it. The charitable idea and benevolent feeling which are expressed by the work of your Board of Ministerial Relief, seem to be permeating the whole Church and taking a strong hold upon all hearts and minds, young and old. For this we thank God, and we are greatly encouraged.

We deeply sympathize with the Board in the loss of one of its charter members, Mr. W. F. Nisbet. We join the Board in doing honor to his memory, and most sincerely reiterate its every expression of appreciation of his noble life.

We recommend that you affirm the selection of Mr. W. F. Nisbet, Jr., to fill his father's place on the Board.

Your committee further recommend that the cause of Ministerial Relief be still pressed upon the attention of Ruling Elders, the interest being taken by that class of Church officers in the work of this Board being specially befitting.

That you name the third Sabbath in November as Ministerial Relief day for the children, according to the request of the Board, and that this be a permanent arrangement.

We recommend that all aid given to beneficiaries of the Board in money be sent through the Board, and that all contributions, other than money given directly by Presbyteries, congregations, or individuals, be reported to the Board in value for its annual report.

One fact seems to your committee worthy of notice, viz.: The great increase of applicants for the Board's assistance, that number increasing from

26 to 43 this last year. This fact suggests the importance of Presbyteries and the Board exercising great caution in the disbursement of funds.

Respectfully submitted. J. R. BROWN, *Chairman.*

REPORT OF COMMITTEE ON REV. J. R. BROWN'S PAPER.

The special Committee appointed to consider the Claim of the Rev. J. R. Brown against the Board of Publication reported as follows:

The undersigned to whom was referred the matter in dispute between the Rev. J. R. Brown and the Board of Publication of the Cumberland Presbyterian Church, for the claim of the Rev. J. R. Brown as editor of the *Cumberland Presbyterian*, after due examination do hereby decide that the said Board of Publication of the Cumberland Presbyterian Church shall pay to the said Rev. J. R. Brown the sum of four hundred and fifty dollars, which is to be a final adjustment of this matter.

S. L. RUSSELL,
G. L. MOAD,
D. E. BUSHNELL.

REPORT OF COMMITTEE ON OVERTURES.

The Committee on Overtures made the following report, which was adopted as follows:

1. We have had before us the memorial of the Ozark Synod protesting against the action of the General Assembly last year in attaching the Springfield Presbytery to the Missouri Synod, and asking that said Presbytery be again attached to the said Ozark Synod. We recommend that the request be granted and that the Springfield Presbytery be returned to the Ozark Synod for the following reasons:

(1) The action of the General Assembly last year, disconnecting said Presbytery from the Ozark Synod, was taken without any knowledge of the sentiment of the Synod and the other Presbyteries concerned. We now have in the above memorial the sentiment of the Synod, outside of the Springfield Presbytery, expressing unqualified opposition to the change.

(2) The reason assigned for the action of the General Assembly last year is removed, in part at least, by the fact that the Synod has since become a delegated body.

(3) It seems important for the good of the Church in Kansas that a Synod should be organized in that State, which would leave only two Presbyteries in the Ozark Synod, unless the Springfield Presbytery should be returned to it, as above recommended.

2. We have had before us the memorial of the Republican Valley Presbytery, asking for the appointment of a Synod to include the entire territory of Kansas; likewise other papers and testimonials by individuals, satisfying us that two other Presbyteries in Kansas have taken similar action, and that the other one of the four in the State desires the new Synod. We, the committee, therefore recommend that this General Assembly constitute the Synod of Kansas, to cover the entire territory of said State, except such territory in said State as belongs to the Nebraska Presbytery; and to be composed of the Kansas, Eden, Republican Valley, and Wichita Presbyteries, and that

the first meeting take place at Severy, on Thursday night before the first Sabbath in November next, and that Rev. J. R. Lowrance be the first Moderator, and Rev. I. G. Thompson his alternate. This action is recommended, accompanied by the following additional recommendations and provisions:

(1) That the remaining two Presbyteries in the Missouri Valley Synod, which is necessarily dissolved by this action, viz.: the Nebraska and the Platte Presbyteries, be attached to the Missouri Synod.

(2) That the two or three congregations along the Missouri River, in Kansas, which have hitherto belonged to the Lexington Presbytery, be continued in said Presbytery.

(3) That the two Presbyteries hereby taken from the Ozark Synod, viz.: the Kansas and the Wichita Presbyteries, pay their proportionate part of the debt, or debts, of said Synod heretofore contracted in the interests of Ozark College or otherwise.

The committee further state that this action is recommended after having had before us, in addition to the papers named, personal representatives of all the Presbyteries affected either directly or remotely, except the Springfield Presbytery, and their assurance that, in their opinion, this action is judicious, and will meet the approval of all the Presbyteries.

Respectfully submitted. E. B. CRISMAN, *Chairman.*

CHURCH ERECTION.

The following resolution of Ruling Elder W. E. Dunaway was presented and referred to the Board of Missions to be reported on at the next meeting of the General Assembly:

WHEREAS, There is great need of money to carry forward our Church work in destitute localities, and establish our cause in cities where we have no Churches; and,

WHEREAS, The time has come when we should take a long step forward in advancing our Church work, forgetting the day of small things, and laying consecrated hands on the wealth of the Church; and,

WHEREAS, The Church seems to be ripe for the establishment of a Church Erection Board; therefore,

Resolved, That it is the sense of this General Assembly that a Board of Church Erection should be created at once, and one month be set apart for this cause, and your ministers and congregations be required to take one annual collection for this cause, and that an agent be put in the field at once if deemed advisable by the Board.

DELEGATES TO PAN-PRESBYTERIAN ALLIANCE.

The Committee appointed to nominate delegates to the General Council of the Pan-Presbyterian Alliance reported as follows:

Your committee appointed at the last meeting of the General Assembly to nominate delegates to the General Council of the Pan-Presbyterian Alliance, which is to meet in London, in 1888, would report that we have had correspondence with several ministers and elders whom we desired to nominate to your body to attend the Council, but we find that there were very few of these who will, at this early date, accept the appointment and give assurance of their ability to attend.

We therefore recommend that the matter of nominating delegates to said Council be postponed till the next meeting of the General Assembly, and that you appoint a committee of three to attend to this duty.

J. M. HUBBERT,
JOHN FRIZZELL,
J. P. SPROWLS.

The request was granted, and the same committee was continued.

DELEGATE TO THE GENERAL ASSEMBLY (COLORED).

The Moderator appointed as Delegate to the next General Assembly of the Cumberland Presbyterian Church (colored), the Rev. F. P. Flaniken, of Nashville, Tenn., as principal, and the Rev. L. J. Hawkins, of Franklin, Tenn., as his alternate.

ITEM FROM REPORT OF JUDICIARY COMMITTEE.

The following item, which was a part of Report No. 1 of the Judiciary Committee, and which at the time of making said report was laid on the table, was called up by the chairman of said committee and was adopted:

The Foster Presbytery submits the following question:

"Have licensed probationers for the gospel ministry, in the Cumberland Presbyterian Church, the authority to solemnize the holy rite of matrimony?"

Your committee answer this question as follows:

The only provision on this subject contained in our book of Church Government is as follows: "Marriage is not a sacrament, or peculiar to the Church of Christ." It is proper that every commonwealth, for the good of society, make laws to regulate the marriage relation, which all citizens are bound to obey. Therefore, unless the statutes of the State in which the marriage is to take place shall authorize licensed probationers to solemnize the marriage relation, then said probationers in the Cumberland Presbyterian Church shall not have such authority. But where such authority is conferred by the statutes of the State, then they may solemnize the rite of matrimony.

R. A. HILL, *Chairman.*

The General Assembly took recess till 7 o'clock P.M.

WEDNESDAY, May 25, 7 o'clock P.M.

NEW HYMN AND TUNE BOOK.

The following resolution, presented by the Rev. J. M. Halsell, was adopted:

WHEREAS, Our Church Hymn and Tune book, "Bible Songs," does not, on account of a want of sufficient variety of good Church music, and on account of the faulty arrangement of the book, meet the demands of the Church; therefore,

Resolved, That this General Assembly appoint a committee of five to compile a Hymn and Tune book for the use of the Church, and to submit the manuscript of said book to the next General Assembly.

In compliance with the foregoing, the following committee was appointed: N. Green, M. B. De Witt, J. M. Hubbert, J. Reed Morris, and J. I. D. Hinds; N. Green being made chairman of said committee by the General Assembly.

COMMITTEE ON DIGEST.

The Moderator appointed John Frizzell a committee of one to prepare a Digest in compliance with a paper previously adopted by the General Assembly.

DELINQUENT PRESBYTERIES.

The following resolution, offered by the Rev. E. B. Crisman, was adopted:

WHEREAS, Many of the Presbyteries do not promptly pay the amounts due the General Assembly's Contingent Fund, which tends to increase the burdens of others that pay promptly; therefore,

Resolved, That the Board of Publication, as Treasurer of the General Assembly, be instructed to insert in the printed Minutes of the General Assembly this year, the list of Presbyteries that may be delinquent at the time said Minutes go to press; and

WHEREAS, The Board of Publication, as Treasurer of the General Assembly, has not made a report to this meeting, setting forth the condition of the treasury and the cash on hand, or the deficit, if any; therefore,

Resolved, That in future the Treasurer of the General Assembly make a report as such and separated from the business accounts and receipts of the Board of Publication as such.

STANDING COMMITTEE ON SABBATH OBSERVANCE.

The Rev. J. R. Brown moved that a standing committee of three be appointed on Sabbath Observance. The motion was carried, and the Moderator appointed Revs. J. R. Brown, W. H. Black, A. L. Barr said committee.

SABBATH-SCHOOL SUPERINTENDENT.

The Rev. E. B. Crisman moved that the office of Superintendent of Sabbath-school Work in the Cumberland Presbyterian Church be continued, and that the Rev. J. H. Warren be retained in that office.

VOTE OF THANKS.

On motion of Ruling Elder J. M. Burrus, Jr., the General Assembly, by a rising vote, returned thanks to the good people of Covington for their kindness and generous hospitality, as follows:

Resolved, That this General Assembly does hereby tender its sincere

thanks to the members and friends of the Cumberland Presbyterian Church of this city, for hospitalities shown it; to the newspapers for favorable notices, and for correct reports of proceedings; to the different railroad lines for reduced fare; also to the respective Churches for the use of their houses of worship, and especially to the pastor and choir of the Cumberland Presbyterian Church; nor would we forget our faithful Moderator, the diligent Clerk, and his able Assistants.

THE MINUTES.

I.—MISSIONS.

ANNUAL REPORT OF THE BOARD OF MISSIONS.

To the General Assembly at Covington, Ohio, May 19, 1887:

Gratefully acknowledging the divine goodness and power in whatever has been accomplished, your Board respectfully submits this report of the work under its supervision during the year ending April 30, 1887.

Our forces in the field have been increased; the work, both in the foreign and in the home land, is gradually assuming larger proportions; and while experiences have been varied, many signal blessings have been bestowed upon the labors of our devoted missionaries.

You will find the annual report of the Japan Mission, hereto appended, replete with highly interesting information. Year after year the Holy Spirit has honored the testimony so faithfully given, and the promise of the mission, continuously widening in influence, is inspiringly manifest. Though the work will for a time be deprived of the valuable services of Rev. A. D. Hail, whose health succumbed to the pressure of overexertion on his part, it is gratifying to state that during his trip homeward, and his brief sojourn in America, so great has been the improvement as to warrant the hope that it will not be long before he can return to Japan with renewed vigor. Meanwhile he may be able to render very important service by more thoroughly arousing the missionary spirit in the home Church. It was a happy circumstance that the mission was reinforced by the arrival of Rev. George G. Hudson and wife and Miss Rena Rezner, a few days after Brother Hail and family sailed for America.

Our missionary to Mexico, Rev. A. H. Whatley, whose report concerning the work is herewith submitted, has already acquired a sufficient knowledge of the Spanish language to enable him to speak and to preach to the people in their native tongue. He recently returned to the United States and took a wife, a devout Christian, intelligent and resolute, who will henceforth share his labors and rewards. Property, suitable for a chapel and a school, will be bought at as early a date as practicable. A portion of the needed funds has been contributed by individuals. The Woman's Board, ever prompt and cordial in co-operating with your Board in aggressive movements, has appropriated one thousand dollars for the purchase of property, and in due time will supply the proposed school with one or more lady missionaries. More money will yet be required even for the original purchase. Then additional expenses will be necessarily incurred in adapting for their intended uses whatever buildings may be bought. The total cost of property and improvements will probably amount to three thousand dollars.

The proffered services of Rev. F. P. Lawyer, of Illinois, have been accepted by the Board, and he has been assigned to the Mexico Mission. The consecration exercises are expected during your sittings.

While our Foreign Missions are being thus gradually reinforced, and the spirit of true evangelism and the grace of liberality are yearly, monthly, and daily possessing more hearts, as indicated by wider spread missionary activity and considerable increase of receipts, as shown in the Corresponding Secretary's financial exhibit to follow this historical review, still it is lamentably true that not half the possible has been accomplished, the number of missionaries sent to the foreign field is far too small and the offerings of God's people are not in proportion to ability, and are wholly insufficient for the present emergency. To meet the supreme needs of the millions of non-Christians, among whom even in this age of missionary activity the natural birth-rate is vastly in excess of the new birth-rate,

manifestly requires a more thoroughly enlightened and quickened conscience on the part of God's people. How to bring the indifferent and those only partially interested into broad sympathy with the unevangelized, and how to draw into active service the now unemployed forces and wealth of the Church, are questions which confront your reverend body.

HOME MISSIONS.

Even those whose thoughts and sympathies are engrossed chiefly with missions abroad will recognize the wisdom of the motto, "Save America to save the world." For whoever is instrumental in upbuilding Churches in cities, towns, and rural districts in the home land, thereby helps to throw a stronger and steadier light into the realms of pagan darkness, since it belongs to the plan of grace first to receive and then to impart. The wisdom of the policy prescribed by your predecessors and still pursued, viz., concentration of energy and funds at important places until self-supporting congregations have been established, can not be reasonably questioned. It has contributed largely to the present increased power and efficiency of our denomination. Happily having so large a number of country congregations, which should ever be fostered with greatest care, and their number increased, it certainly behooves our Church to more fully catch the spirit of modern enterprise and firmly plant working congregations in growing towns and trade centers as well, not only for the purpose of promoting the spiritual well-being of the people in the respective vicinities, but to enable our denomination, with multiplied forces and enlarged borders, more successfully and broadly to spread the gospel of salvation, with the one grand end in view, the all-pervasive reign of Christ.

Most earnest efforts have been made to enlarge our work in the great new West, where the rarest opportunities for Church extension and evangelistic work are offered. Some more of the open doors have been entered during the past year, yet there are whole States and Territories in which your Board has not even one mission. Oft-repeated calls for consecrated and intellectually vigorous preachers and for financial assistance in the work continuously come from our pioneer brethren. Every consideration requires that something far beyond what has been done shall be devised, that more of these inviting fields may be occupied. In this connection attention is directed to the accompanying report of the Permanent Committee on Missions of Pacific Synod. This committee is a helpful auxiliary to the Board, and whenever the condition of the treasury will justify it, further appropriations of funds to be used by the Permanent Committee will be made.

The work among the Indian tribes continues in good condition, and deserves special mention. Labors bestowed in our Indian Mission fields have always yielded rich harvests at comparatively little expense. Our missionaries ask for reinforcements, and our native brethren beckon consecrated missionaries to come and help lead their race in approaches to the throne of the Great Spirit.

Chickasaw and Choctaw Nations.—Missionaries, 3; presbytery, 1; ministers, 11; probationers, 10; congregations, 31; communicants, 540. All ministers and probationers, except two of the missionaries, are natives; all natives, except one, are full-bloods. Most of the congregations own their church houses, chiefly log buildings. Total value, $1,800. The opening of a school at Durant has been authorized. Receipts from the field and used in the work, besides offerings for Foreign Missions, $475.75.

Cherokee Nation.—Missionaries, 4; presbytery, 1; ministers, 5; probationers, 2; congregations, 7, with 9 out-stations; communicants, 450. Hogan Institute is in successful operation, but needs additional teaching force. Value of school property, $2,000; liabilities, $350; church property near Gibson station, $1,200; Chouteau Church, used also for a national school, $700; liabilities, $200; other property, $550; total values, $4,450; liabilities, $550. Receipts from the field and used in the work, besides offerings for Foreign Missions, $1,127.63. Applications from at least two suitable men to reinforce each of these missions are anxiously awaited.

MISSIONS AND MISSIONARIES.

JAPAN MISSION.

Osaka and Out-stations.—Rev. J. B. Hail and wife, Rev. A. D. Hail and wife (now in America), Miss Alice M. Orr, Miss Julia Leavitt, Mrs. A. M. Drennan, Miss Bettie A. Duffield, Rev. George G. Hudson and wife, Miss Rena Rezner.

MEXICO MISSION.

Aquascalientes.—Rev. A. H. Whatley and wife, Rev. F. P. Lawyer.

INDIAN MISSIONS.

Chickasaw and Choctaw Nations.—Rev. J. H. Dickerson, Rev. Calvin Robinson, Probationer J. J. Smith.

Cherokee Nation.—Rev. N. J. Crawford, Rev. R. C. Parks, Rev. David Hogan, Rev. E. E. Baily.

CITY MISSIONS.

Abilene, Texas.—The Board sanctioned the sale of the first property purchased and out of the proceeds, after payment of liabilities, a more desirable and beautiful lot, in the center of the city, has been bought, leaving a cash balance of $200 on hands. With the concurrence of the Board, Rev. A. J. Haynes, last in charge of the work, suspended preaching services until the erection of a new church building can be accomplished, which must necessarily be deferred until the country has again been blessed with a good crop. This mission is in the midst of the drought-stricken region, and its prosperity has been checked, but it is hoped that this will be the case only for a short time.

Beverly, Ohio.—Rev. R. J. Beard, missionary. Value of property estimated at $8,000; title is yet in dispute; decision expected the last of this month. Membership, 60; additions during the year, 28. Congregational contributions from Ohio have been applied to the support of the missionary.

Birmingham, Ala.—Rev. F. J. Tyler, missionary. The real estate on which the mission's neat frame chapel and a parsonage, quite well adapted, stand, has exhanced in value fourfold, and is now estimated at over $12,000. Membership, ——. This mission will probably become self-sustaining during the year.

Cherryvale, Kansas.—Rev. A. H. Berry, who served faithfully, while physically able, has resigned. This mission was in a financially embarrassed condition at the time it was placed under the Board. Rev. M. Lowe, by an agreement with the congregation sanctioned by the Board, is actively engaged in soliciting funds to free the property from debt. Present value, $3,000; liabilities, $1,500; membership, 44; number in Sunday-school, 45.

Colorado, Tex.—Rev. J. A. Robinson, missionary. This mission is also in the region of the drought, but regular services are maintained with encouraging prospects. Value of property, $3,500; membership, 54; increase during the year, 21; number in Sunday-school, 63.

Danville, Ill.—This work became self-sustaining in 1883, with a membership of 229, and a frame church-building free of debt except $250, loaned from the Church-erection Fund, the title being vested in the Board of Missions. The congregation, after passing from under the Board's control, resolved to erect a new building on another lot. The Board consented to the sale of the old property, and loaned $1,000 more of the Church-erection Fund on the new property, holding the title to the same. In this premature movement the congregation became financially embarrassed and other troubles followed. Afterward two pastors in succession faithfully attempted to uphold the cause, but annoying debts greatly hindered the work. During the last year the Board again assumed control, paid all outstanding claims except $1,100 loaned to the congregation by the Ministerial Relief Board. Whole amount invested by the Mission Board $1,849.43. Total indebtedness, $2,949.43, with accrued interest on amount loaned by

Board of Ministerial Relief. Value of property, $5,000, house insured. Membership greatly reduced, but adhering members have a mind for the work. Diligent efforts have been made to secure an able missionary. Correspondence still pending. Illinois Synod promised liberal support to the Board. A sustained effort, blessed of the Lord, will lead to success in this mission so highly important to our cause in Illinois, and to the Church generally, as well as to the growing city of Danville.

Emporia, Kansas.—No forward movement in the matter of building has been reported to the Board.

Fort Scott, Kansas.—Rev. S. A. Sadler, missionary. Value of property, $2,000; membership, 20. This is a new mission of but few months' standing. The church will be dedicated in June.

Fort Smith, Ark.—Rev. S. H. McElvain, the missionary, is still engaged in raising building funds, a sufficient amount not yet having been secured. The foundation of the church edifice has been laid. Present value of property, $6,000.

Garden City, Kansas.—Rev. J. R. Lowrance, missionary. Value of property, $5,000; liabilities, $400; membership, 60; added during the year, 28; number in Sunday-school, 125.

Knoxville, Tenn.—Rev. J. V. Stevens, missionary. Value of property, $12,000; liabilities, $3,050; membership, 109; additions during the year, 33; number in Sunday-school, 90. This is a large and vigorous mission. It already exerts a wide-spread influence. Liabilities on the property should be promptly removed, that progress may not be hindered.

Louisville, Ky.—Rev. B. D. Cockrill, missionary. The main audience room, one of the best in the denomination, the study and the infant class room have been completed and appropriately furnished. Value of property, $17,000; liabilities, $3,589—one thousand of the amount having been loaned by the Board out of the Church-erection Fund. It behooves our people to see this church freed from debt and pushed to completion, standing as it does in one of the great commercial and social centers, the metropolis of the State wherein the great revival resulting in the organization of our Church began.

Meridian, Miss.—Rev. R. A. Cody, missionary. Value of property, $4,000; membership, 45; additions during the year, 20; number in Sunday-school, 70.

Pueblo, Col.—Pulpit vacant, Rev. W. M. Barber having resigned. Owing to removals and the unsettled condition of the population of this city, and especially of our people, the work has not been encouraging. It is believed, however, that with a vigorous young man, who will identify himself with the work for years, a permanent congregation may be established. Value of church property including a parsonage, $3,500.

San Antonio, Tex.—Rev. W. B. Preston, missionary. Value of property, $3,500; membership, 73; additions during the year, 17; number in Sunday-school, 60.

Springfield, Ill.—Rev. S. Richards, missionary. The Presbytery of Sangamon inaugurated this mission in the fall of 1885, but finding itself unable to press it on to success urged the Board to take it in charge. It has been beset with serious difficulties arising chiefly from relations with a Union Sabbath-school, which for a time occupied the church. No Church organization has yet been effected, there being only a few Cumberland Presbyterians in the city of Springfield. A few earnest Christian workers of other denominations have rendered, cheerfully, valuable assistance to the missionary in carrying on Sabbath-school work, and have otherwise encouraged and assisted him in gathering a congregation. The Board has recently assumed full responsibility for the further conduct of the mission.

St. Joseph, Mo.—Rev. Alonzo Pearson, missionary. Value of property, $6,000; membership, 68; additions, 18; number in Sunday-school, 70.

Stockton, Cal.—Rev. T. A. Cowan, missionary. Value of property, $5,000; liabilities, $3,750; membership, 23. Church recently organized; number in Sunday-school, 25. Lay evangelist, D. C. Williams, is authorized to solicit

$5,000 for this work. He hopes to succeed before returning to California in the fall.

Tyler, Tex.—Rev. R. T. Phillips, missionary, is devoting his attention to collecting funds for building purposes. Value of property at present, $1,500.

Walla Walla, Wash'n Ter.—Rev. W. W. Beck, missionary. Value of property, $7,000; membership, 250; additions during the year, 87; number in Sunday-school, 225.

Wellington, Kansas.—The Board has been assured that the proposed church-building will be erected during the current season, whereupon the missionary will be assigned to the field.

In addition to the above, the Church at Eugene City and one at McMinnville, Oregon, have received financial aid from the Board. The former has taken new courage since being assured of assistance. Prospects are encouraging. The latter needs and anxiously desires the services of an able minister immediately.

Rev. J. C. Moore, missionary under appointment of the Board to Western Kansas, with Scott City for a basis of operations, has organized a congregation of 26 members in that place, and another of 15 members in Dighton. Each place is a county seat.

Your Board has noted the action of Pennsylvania Synod in relation to Connellsville and Allegheny City as mission points, and concurs in opinion with the Synod that effort and funds be expended first upon the Allegheny work until a self-supporting congregation has been gathered in that important city. Action has been taken accordingly.

The labors of lay evangelist, D. C. Williams, have not only been greatly blessed of the Lord, but his mission to the Pacific slope seems to have encouraged the noble brethren who have worked so hard for the advancement of the Master's cause west of the mountains. He proposes to return to that field and renew his labors.

CORRESPONDING MEMBERS OF THE BOARD AND PRESBYTERIAL SECRETARIES.

The diligence and success of a number of the above-named officers, who with a relish for the work, have aided in awakening a greater interest in general missions, attest the wisdom of their appointment. Persistent efforts have been made to gain the co-operation of a corresponding member in each Synod and of a Mission Secretary in each Presbytery.

CHURCH-ERECTION FUND.

Of all money used in mission work probably none has accomplished so much in church extension in the home field as the Church-erection Fund. The few thousand dollars under control of the Board during the last score of years have been very profitably used in helping to erect new church buildings. If the Church could be induced to sufficiently increase this fund, the Board would be able to do a very large work in extending the borders and power of the denomination by planting new congregations at once in the trade centers of the great West. Without ample means for this purpose many of these points must be neglected and the progress of our Church thus seriously crippled.

During the year nearly a thousand dollars have been added to the fund, but this alone is of little practical benefit. To make it really effectual, the fund should be enlarged at once to not less than $50,000. Mr. Geo. E. Patton labored faithfully for several months as agent of the Board, and the increase mentioned is mainly due to his efforts. Since his resignation no man has been found to take up the work. It is believed that this fund should be gathered chiefly from individual offerings and that no department of the Lord's service presents greater prospects for immediate results.

TRAINING SCHOOL FOR COLORED PROBATIONERS.

During the year $300 have been paid by your Board on salaries of teachers in the school at Bowling Green, Ky., $93.71 of the amount having been

contributed specially for that purpose. This has been done strictly in the line of missionary work and under the conviction that helping our brethren of the Cumberland Presbyterian Church (colored) to educate their young preachers is the best service that can be rendered in promoting true evangelism among the race.

This work is heartily commended as deserving far nobler support, even to the extent of thousands of dollars annually.

A. A. Rowland, M.D., our worthy colleague for many years, resigned, and Isaac H. Orr, Esq., has been elected to fill the vacancy. Brother Orr is Secretary of the Board, and editor of the *Missionary Record* in place of Rev. W. H. Black, appointed Auditor.

SUGGESTIONS.

1. That you select some one to prepare and deliver an address on Missions during the session of the next General Assembly.

2. That you emphasize the recommendation of the last General Assembly "that Synods and Presbyteries devote a part of their time at each meeting to discussion of mission themes with a prepared programme."

3. That you designate a day in the Foreign quarter and another in the Home for concert of prayer for Missions.

During the year 1,058 Congregations, 50 Missionary Societies, and 60 Sunday-schools have made their Mission offerings through the Board, and 602 Ministers have enlisted their various charges in support of the work. As compared with last year's report an encouraging increase is thus shown of 128 Congregations and 122 Ministers co-operating in the work.

This increase in the number of co-operating Congregations and Ministers, and the marked increase in the total of congregational offerings, are most encouraging features of our work. So important to our spiritual life as a Church is the Mission work that if we do not grow in it, the seeds of death are already among our members.

With humble gratitude for the success that has attended our labors during the past year, we earnestly pray that the Lord may send his Spirit with new power among our people, and consecrate them for a much greater work during the incoming year.

J. L. SECOR,
Corresponding Secretary Board of Missions.

Having carefully audited the above exhibit of receipts and disbursements, I find the same to be correct. W. H. BLACK, *Auditor.*

NINTH ANNUAL REPORT OF THE JAPAN MISSION.

"Let them now that fear the Lord say, that his mercy endureth forever." (Psa. cxviii. 4.)

The close of another year in the history of this Mission causes us to pause a moment that we may review the way the Lord has led us. With full hearts we join in saying, "Thou crownest the year with thy goodness and thy paths drop fatness." (Psa. lxv. 11.) As "those who go down to the sea in ships, who do business in great waters, see the works of the Lord," so those who witness the first victories of the gospel in a given place can not but be impressed with its force, and learn more and more to know it as "the power of God unto salvation."

The goodness of the Lord is shown in the care of his servants as well as in blessing their work. In both these respects we have been highly favored. It is just ten years since our first missionaries, the Rev. J. B. Hail and wife, arrived in this country. Before the close of the decade six others arrived, not including those who came last December. Of this number none have died and none were seriously disabled by ill-health until the past year. During these years there was at least an average growth in the work of the Mission. But this was not accompanied by an average increase in the working force of the Mission, nor by the usual leave of absence for recuperation of strength in America. The words of the Secretary in the last annual report have been proved to be well founded. "If re-inforcements should come during the present year even, and should any thing occur during the next three years thereafter to remove the two previously sent, ordinary men though they be, yet the work would be impeded thereby. . . . Unless this law of probabilities be duly taken into consideration and acted upon, the expenditure of strength and labor already made may not gather in such extensive results in effective organization as we should wisely plan for as a denomination." These words were scarcely read in the General Assembly before their author was disabled by serious illness. Though benefited by a summer of absolute rest, dangerous symptoms returned with any attempt to do severe labor. On the advice of the physician that recovery could best be secured by a return to America, leave of absence was requested, and on being granted by the Board himself and family sailed December 13th, 1886. Let us pray that in the goodness of God he may be granted a speedy recovery and an early return, that the rich experience gained in eight years' study of language and people may be further used in the Lord's work. This leaves the Mission with but one man able to use the language, and will necessarily result in throwing more responsibility on the native Churches. In this manner, as well as in ways not so apparent, will the weakening of our force be turned to the glory of God and the good of the Church.

It is proposed to give in this report a brief history of the Mission, together with statistics for the year just closed, that the Church may better understand the progress made and the ground of our hopes for future growth.

As stated above, our first missionaries arrived in Osaka in 1877 (January 29th). Missions had been previously established here by the following Boards: Episcopal (English and American), A. B. C. F. M., Catholic (Greek and Roman). There were probably fifty native Protestant Christians in the city. The missionaries spent the year in studying the language and people, sometimes exchanging instruction in English for instruction in Japanese. After a second year spent in the same manner, the Mission was strengthened by the arrival (November 30th, 1878) of Rev. A. D. Hail and wife.

One inquirer—Yamamoto San—came to the missionary in February of this year for instruction. Nothing more could be done than to give him a copy of the Gospel of Luke. He returned in the autumn a serious inquirer.

In the year 1879 the Mission was able to formally begin its work, the first sermon being preached by the Rev. J. B. Hail, on February 9th, in Osaka. On September 26th, 1880, Kurze San and Yamamoto San, already mentioned as an inquirer, received baptism. These were the first fruits of our Mission in Japan. Without special direction from their teachers these men consulted together, and agreeing that as they were the first members of this new Church, their conduct would have great influence with those who should join later, they sought help from God to fit themselves for their responsible position, and promised on their part to have a stated time for secret prayer, and to give to the Lord one tenth of their income. Having such a foundation, we may hope that "all the building, fitly framed together, shall grow unto an holy temple in the Lord."

The efficiency of the Mission was increased to a marked degree the next year (1881). The Rev. A. D. Hail was now able to share the evangelistic work with his brother, and extended preaching tours were taken into the provinces south of Osaka. Hitherto formal work among women and children had not been possible, owing to the lack of female missionaries. But the Woman's Board of Foreign Missions of the Cumberland Presbyterian Church had been organized the previous year at Evansville, Indiana, and its first missionaries—Miss Alice M. Orr, of Missouri, and Miss Julia L. Leavitt, of Indiana—arrived in Osaka November 21st, 1881, and began at once to prepare for their work. The next year was one of steady labor and careful planning by the Mission, and of marked growth on the part of the native Church. For the first time the latter assumed the expense of maintaining the preaching places, and also contributed a sum to be used in Mission work amounting to thirty-seven cents per member.

The third missionary sent by the Woman's Board—Mrs. A. M. Drennan, of Missouri—arrived in Osaka May 4th, 1883. She began English teaching at once, and the Mission was now able to arrange definitely for a Girls' School, its supervision being intrusted to the new missionary. The school has prospered, sending out the past year several graduates as teachers and Bible-women, besides many who have finished part of the course. A building long needed is being erected, and is expected to be ready for use by the first of May. This is the only educational work formally controlled by the Mission.

The year 1884 was one of great fruitfulness, witnessing the organization of three Churches. The history of each of these, as well as that of those organized since, is highly interesting. It shows God's power to use apparently trivial events to produce great results. We have seen how the first members in the Osaka Church were led to believe. The congregation was organized in February, 1884. The following statistics show its work for the year just closed: Baptisms, 36; removals, 28; dismissed by letter, 21; present membership, 67; Sunday-school, 40; contributions, 113 yen. (At present one yen equals about seventy-five cents.)

The Church at Kuroye (Hikati) was organized May 11th of same year.

Kuroye is a village near Wakayama. A man who had heard something of Christianity elsewhere, requested preaching from a missionary of the American Board, who repeated the request to the Rev. A. D. Hail. As the interest deepened the local priest became alarmed and circulated a pledge against hearing Christianity taught and against having even business relations with Christians. One man refused to sign the pledge, saying that Christians were the principal purchasers of their manufactures—lacquer work. On inquiry a number of Bible readers were found in the village, and these formed the "Society of Brotherly Love" for Bible study. The meetings were at first secret, though largely attended. The Church of which this was the origin reports as follows for last year: Baptisms, adults, 3, children, 2; membership, 14; contributions, 22 yen.

Some years ago a man living at Shingu sent his sister to a Girls' School of the American Board at Osaka. She became a Christian, and on returning home and observing the rules of a godly life was greatly persecuted by her relatives. To spend the Sabbath in a Christianlike manner she was compelled to retire to the mountains, where she spent the day in reading and prayer. Some time after this Yamamoto San was preaching through that province, depending wholly upon Providence for his support. He reached Shingu late at night, without money or acquaintances, and weary with his march through mud and rain. He met a man who proved to be the brother of the girl referred to, and who inquired his name and business. When told that the traveler was a teacher of the religion of Jesus, he invited him to his own house, saying that he wished to learn of that way. From this grew the Shingu Church, which was organized in June, 1884, and which reports the following for last year: Baptisms, adults, 20, children, 3; present membership, 53; contributions, 51 yen.

In April, 1885, Miss Bettie A. Duffield, of Missouri, the fourth missionary sent by the Woman's Board, arrived in Osaka. Owing to a lack of candidates for appointment the General Assembly's Board was not yet able to increase the strength of the Mission as it had long wished to do.

Two Churches were organized this year, viz.: at Wakayama and Tanabe. The events which led to the first were as follows: A youth went from that city to America, and there became a Christian. He wrote to his mother of the new-found faith, and so taught its principles, and encouraged her that she also became a believer. He was anxious for her to have a teacher, and learning from an Osaka friend whom he met in San Francisco that a Mr. Hail taught in Wakayama, he wrote the missionary requesting him to visit the mother. When the request was complied with it was found that she had been praying for a teacher. After a satisfactory examination the mother was baptized, and partook of the Lord's Supper with the missionary and his helper. The Church reported as follows for 1886: Baptisms, adults, 39, children, 11; removals, 22; present membership, 59; Sunday-school, 162; contributions, 214 yen. A day school of one hundred scholars is supported. Miss Orr and Miss Duffield reside at this station, and besides teaching in English in the school, conduct religious work among women and children.

The Church at Tanabe was organized in May, 1885. The Rev. J. B. Hail began visiting here in 1881. After a year or two there were many reading the Scriptures, but all seemed waiting for some one to make the first profession of faith. On a certain occasion the missionary and his helper were especially burdened for visible results in their work, and without revealing to each other the unusual anxiety felt, they separated for secret prayer. Upon returning to the hotel they met a man who offered himself for baptism. The Church thus begun reports as follows for its second year: Baptisms, adults, 23, children, 10; present membership, 47; Sunday-school, 20; contributions, 211 yen.

Mittani Mura is a village nine miles from Wakayama. A young man from one of its families went to America to seek his fortune. His father warned him expressly against the Christian religion, and was enraged to find on his son's return that he had become a Christian. The son patiently

endured his father's wrath until he could be heard in explanation of his course, when the father became interested and afterward a believer. The first baptism was administered in 1884, and the Church in that place was temporarily organized in the same year. For 1886 it reports: Baptisms, adults, 9, children, 1; present membership, 32; Sunday-school, 55; contributions, 38 yen.

In May, 1886, sixteen members of the Osaka Church withdrew to begin a new work in another part of the city. They have not been formally organized, though they do the work of a Church, reporting as follows for the year: Baptisms, adults, 8, children, none; present membership, 23; Sunday-school, 25; contributions, 84 yen.

The spirit and efficiency of the Churches will further appear from special items not included in general statistics.

Three of the Churches, viz.: Osaka, Tanabe, and Shingu, own their places of worship, and the others pay rent for buildings occupied. The claims of benevolence are observed. Fifty yen were contributed for Missions; a free night school is maintained at Wakayama; one third of the support of theological students is pledged by the Churches; several congregations have Ladies' Missionary Societies.

Prayer-meetings are supported in all the Churches, and it is the rule for all male members and many of the women to lead in public prayer. Delegates from the Churches meet annually in a body dignified with the title of Presbytery. In response to its call several young men offered themselves, and are recognized as theological students. This evidence of growth in Church life and activity makes it imprudent to delay providing means for its training. If the Church ever needed to turn aside to provide secular education or medical treatment in order to win popular confidence in Japan, that necessity is practically gone. The teacher and physician are welcomed, for the people generally understand their work. Personally, we shall be pleased to see a number of Christian men and women coming to this country for employment in these or other useful professions.

This will require sacrifices, and the income may be small and uncertain; yet we think trustworthy arrangements can be made by which a fair support can be secured, and to the true Christian there will be the greater reward of exemplifying a godly life where it will be especially fruitful. But the work of the Church is to send the gospel at the hands of Christian teachers, men and women competent to instruct the people in both the facts and the system of truth taught in the Bible. We have attempted all these lines of work, but must wait for an increase of our Mission's strength and for the training of recruits before we can fully enter upon all these forms of work. In this connection we note the arrival (in December, 1886) of the Rev. Geo G Hudson and wife, and of Miss Rena Rezner, all from Illinois. The latter is the fifth missionary sent by the Woman's Board, the others being sent by the General Assembly's Board.

We appeal to the Christian zeal of the younger portion of the home Church to furnish needed additions to our force, and we appeal to the Church in general for necessary funds to support the whole work. We hope to witness the day when a sum for propagation of the gospel among non-Christian nations will be recognized as a part of the annual expense in every well-ordered Christian home.

Our final request is for prayer by the entire Church at home that our congregations may receive a special outpouring of God's Spirit. Our members have been gathered slowly, coming in singly or in small groups. A general spiritual quickening of all these individuals will unite them in a harmonious whole which will reflect something of the beauty of Christ's glorious body.

FIRST REPORT OF THE MEXICO MISSION.

To the Board of Missions of the Cumberland Presbyterian Church:

DEAR BRETHREN:—I, as your only representative in Mexico, our new field, offer you the following report of my work during the fourteen months I have spent in the field. The most of this time has necessarily been spent in preparatory work, the study of the language, the people, the field, and the successes and failures of those who have been longer in the work. I have made sufficient advancement in the study of the language as to make it highly desirable to begin regular preaching services at once. We only wait for proper accommodations in the way of a preaching place.

This is the great need of the Mission at present. The gospel can not be preached on the streets in Mexico as in other countries. There is cause for gratitude in the hope that the Board will soon be able to furnish the money necessary to purchase property for church and school purposes. A day school will be organized as soon as the house is ready. A lady teacher will be needed at an early date, and it is to be hoped that a male teacher will be needed for a boys' school before the end of another year. The importance of establishing schools in connection with the Missions can not be overestimated by the Board.

The hope of Protestant missions in Mexico is in the children. The Mexicans of all classes are extremely anxious to have their children learn English. By establishing schools we can reach children whose parents are inapproachable.

Other Missions should be begun in the cities near Aquascalientes as soon as the Board has the men and money at hand to man them. Let the Church understand that she has undertaken a work in Mexico which is not to be done in a day—a work for an ignorant and needy people whose very ignorance and prejudice against the truth should be their strongest plea for sympathy and help. To do our duty toward them there must be the most perfect harmony of feeling and action in the whole Church. Our people must understand something of the magnitude and difficulties of the work before they will pray, sacrifice, and give as the interests of the work demand. If we do our duty our doctrines are to play an important part in the formation of the theology of the country. Our system is without doubt more popular than any other when explained and understood. This suggests the necessity that will be upon us soon of providing for the publication of our Confession of Faith and some other books in Spanish.

And now, knowing that "it is not by might nor by power" that the work of the Lord is to be done, we ask the Church not to forget to pray for the presence of the Holy Ghost upon the people and workers. "Pray for us that the word of the Lord may have free course and be glorified even as it is with you."

A. H. WHATLEY,
Missionary.

REPORT OF PERMANENT COMMITTEE ON MISSIONS OF PACIFIC SYNOD.

To the Board of Missions of the Cumberland Presbyterian Church, St. Louis, Mo.:

DEAR BRETHREN:—The following is our report for the year ending May 1, 1887. There has been no change in the committee since our last report. The Treasurer's statement, herewith submitted, shows what has been done during the past year. We have aided the San Jose church in the support of their minister, the Rev. W. H. Baugh. We have hope that this work will soon become self-sustaining. We have aided by a loan the new church at Traver, now under the care of the Rev. Mr. Taylor. A new work has been begun at Downey, Cal., by the Rev. W. J. Browning. We have rendered him some assistance.

A small congregation has been recently organized in the city of San Diego by the Rev. M. O. Smith, who resides at Poway. Brother Smith, owing to ill-health, can not supply them with preaching, but the little band is holding on, hoping that some one may come who can take hold and

build a church. A lot has been secured on the condition that a house of worship shall be built upon it within two years from March, 1887. This opportunity ought not to be lost by the Church. It is thought that within a few years San Diego will be a second San Francisco.

Dixon C. Williams resumed his evangelistic labors among us in the early autumn of last year, and held some interesting meetings with very satisfactory results. His expenses were met for the most part by the congregations where he labored, the committee aiding only to the amount of $50.

We are gratified with the progress made at Stockton by Rev. T. A. Cowan. Just now we are all deeply interested in a building fund for the Stockton Mission, but our congregations are all small and weak, and we can not expect much of them in this way. We are hoping and praying that our brethren east of the mountains will give us one good strong pull in behalf of this important work.

Our next synodical meeting is to be held with Brother Cowan's congregation in October, and we should all be delighted to have the President of the Board of Missions with us at that time. Respectfully,

H. C. CULTON, *Chairman.*

WOMAN'S BOARD OF FOREIGN MISSIONS.

CORRESPONDING SECRETARY'S REPORT.

When the first Annual Report of this Board was written in 1881, it occupied only a small space in the Church paper. The story of the year's work could be told in a very short time, for then the foreign and home work was given in one report. But in the seven years that have passed since that first record was written, this work has grown so much in all directions that the question has become a serious one as to how to give you on these anniversary occasions a true idea of what is really being done without wearying you.

Cumberland Presbyterian women stand in a very different position as regards Foreign Mission work to-day from that in which we stood seven years ago. Then many were fearful lest weak woman was undertaking something she could not accomplish, but to-day our part in this great cause is one of power, and surely one of great responsibility. Our opportunities in the past years have multiplied; new work, methods, and claims are constantly presented to us, and we must respond quickly; the very success with which our efforts are crowned brings with it a deeper feeling of responsibility and obligation. No reports of years past have been equal to, or as encouraging as, those of the year just closing. Again let us "Sing unto the Lord a new song, for he has done marvelous things for us." My dear women, we can not, *must not*, take a view of only a *part* of this great enterprise for even a short time, and, although we must pass rapidly over what has been accomplished, the glance should not be carelessly or thoughtlessly taken. Let us, then, look at the home side of our work with care and great thoughtfulness, and as something that we are truly interested in, and as that which will benefit us, our Church, and this world which Jesus died to save. May we ever keep before us this thought, that the object and work of this Woman's Board is to help in spreading the gospel of Christ our Savior among women and children in foreign lands who know nothing of the blessings we enjoy. We can gain an idea of the general condition of the field by considering the

SYNODICAL AND PRESBYTERIAL WORK.

We have only three Synods at present not in charge of Synodical Vice-presidents—namely, Colorado, Iowa, and the Synod of the Pacific. These officers have been untiring in their efforts to advance the cause, and most excellent results have followed. Our Presbyterial Societies now number about thirty, although possibly only about half that number are systematically at work. The meetings of the societies are held annually, in connection with the fall meeting of the Presbyteries, and by this arrangement the cause is greatly advanced and strengthened, as all are brought face to face with each other and the work. They see more clearly their personal duty in the matter, and gain courage to perform it. The work of our Presbyterial officers is one that requires thoughtful activity, and during the past months some have labored earnestly, as the reports of Presbyterial Secretaries and Treasurers show. But while we are bearing testimony to the faithful work done, the question presents itself whether still more could not be accomplished? Why not have a Presbyterial Society in every Presbytery? Let an effort be made to do so, as these organizations are our strongholds, which is proven by the year's record. The object of these societies is to encourage, strengthen, and enlarge the work within the bounds of a given Presbytery. Do you say that it is unnecessary to so organize, with the hope of forming more auxiliaries? for all available Churches have societies. In the majority of our Presbyteries not half of our congregations are organized for work. But you say so many Churches are in the country where nothing can be done. Must women, because they live in the country, be deprived of the blessings which this mission work brings? Can not some plan be found by which they may be helpers with us? I know of a Church of twenty-five or twenty-six members,

whose solicitor distributes literature and collects dues and offerings, which this year amounted to fifty dollars. I could give you the names of women, members of country Churches, who have ridden twelve or fifteen miles on horseback to attend the meeting of a Presbyterial Society. I believe the women in the country Churches will (if they undertake the work) do their whole duty in the matter, and if they can not have regular meetings because of distance from each other, they will adopt some plan by which they can aid in the cause. A few words from some of our women will show how they feel about this new method of work: "This Presbyterial organization is just what we have needed, and our work and interest have greatly increased." "I am sure this is the best way to keep up an interest, and I go home from these meetings feeling strengthened and blessed." "Notice how the interest has increased, and you will also see that we give more money." With these words, which we believe will apply to all who have had experience in this branch of the work, we turn to the

AUXILIARIES AND BANDS

to learn what they are doing. Since our last report one hundred and thirteen Auxiliaries and Bands have been formed. The majority of auxiliaries are wide awake, increasing in numbers and interest, but we fear some have fallen by the way because they think they are in need of rest, or that all efforts should be in the direction of the home field, while a few, we fear, have given up the work entirely, feeling that their labors are finished, and younger hands and hearts must bear all the responsibility. "Let us not be weary with well doing: for in due season we shall reap if we faint not." The reports from our Bands are more and more encouraging, and we know of no better way of presenting this most hopeful part of our work than by quoting from the children. A number have undertaken the education of a girl or boy in Japan, and the interest they manifest in them is truly inspiring. One little girl writes, "We are praying for our girl every day that she may become a true Christian woman." Another Band forwards to us a large sum of money saying, "We send this to be used in Foreign Mission work wherever you may think best, as we are not working for a 'special object.'" We are happy to see the young people taking this broad view of the work, willing to give their money for the cause, not caring to know the special object to which it will be applied. A growing interest among the boys is a cause for rejoicing, and some of them fill offices in the Mission Bands. *Hints and Helps* has been found helpful to those working with the young people. We have ten active Young Ladies' Societies, which are doing excellent work in the Master's vineyard. Press forward, young women, you are needed in the service. Seven hundred and two societies, with an average membership of fifteen, would make a large army of workers; and the question comes, What is this vast number doing for Foreign Missions? Let us turn to our

TREASURY,

for its condition is a good indication of the interest felt. Last year we were grieved to tell you that we received less money than we did the previous year. But to-day it is our pleasure to report an increase in the receipts of $902.77 over that of last year. We will remember that our work in Japan, as it grows, calls for more money, and, as auxiliaries, we must not allow our offerings to fall behind. Many societies have given nothing the past year, when they have pledged to help sustain the cause. Some of these societies have been holding meetings, but their gifts have not found our treasury. By comparing letters and carefully thinking the matter over we feel that we are correct in saying that new interests have come before our women and diverted the gifts formally pledged to the Board. Do not understand us to claim that this cause should exclude other objects, but we do claim that auxiliaries should not lessen their interest in this cause because a variety of objects around them seem more attractive. May God open our hearts and help us to give willingly and liberally, remembering what Christ has done for us, also remembering to accompany our offerings with

PRAYER.

We are taught to pray daily for the conversion of the world, and a personal examination will show whether we are carrying this cause to a throne of grace, as is our duty and privilege to do. The Sabbath-evening hour of prayer should be a time dear to the hearts of all. Can we give and pray intelligently if we know nothing of what is being accomplished at home or abroad? In considering this subject we are led to speak of

OUR RECORD.

We are often surprised to hear that we have some Auxiliaries that never see this paper. How can such societies live when they know nothing of what is being done in their own Church, to say nothing of other denominations? A portion of the *Record* has been given to our work, and none of the societies can afford to do without the information contained in it, and especially should we read every word from those who represent us in Japan. We do most heartily appreciate the kindness shown us by the General Assembly's Board, and the editor of the *Record* in giving so large a portion of this valuable paper for Woman's Work.

MISCELLANEOUS.

We have been helping in the work in the Indian Territory, although we have not succeeded in securing a teacher for Hogan Institute, as requested by the last General Assembly, but we hope by the time the next school year opens we will be able to send a teacher, fitted in every way, for the position. Pray that the Spirit may guide in the matter. We have assisted in paying the salary of one teacher in Hogan Institute, also appropriated one hundred dollars to assist Rev J. H. Dickerson, of Durant, I. T., in furnishing his school-building, and have aided Mrs. R. C. Parks, of Muskogee, who has opened a small school for girls. This is a portion of the field in which we should take great interest, and where both money and laborers are needed.

Realizing the importance of the work in Mexico, we made an appropriation of one thousand dollars, through the General Assembly's Board, to be used in purchasing property for school and Church purposes. We hope at no distant day to send lady missionaries into this promising field.

A large number of leaflets have been issued, and thousands have been mailed gratuitously, where we trust they will lead to lasting good.

Records have been mailed to Synodical Vice-presidents, as ordered by the last annual meeting.

Fifteen hundred copies of the Annual Report have been printed and distributed.

The orders for literature have doubled those of previous years, which should be a source of encouragement, as more reading, "more wanting to know" what is being accomplished, means increase of interest.

Our Life Members now number forty-seven. As we are adding up the work and workers let us not overlook our solicitors, for they have faithfully labored, and excellent results have followed, although they meet with discouragements.

Personal visiting was strongly recommended by the last Annual Meeting, and the Board was instructed to secure the services of a consecrated Christian woman, who could give her time to the work, visiting from place to place. Miss Nannie Caldwell, of Danville, Ky., consented to do the work as a visitor, and, after spending a short time in Green River Synod, she went into West Tennessee Synod, where she organized societies, etc. Soon afterward she was taken sick, which necessitated her return home, but with the hope that she would be able to take up the work again in a few weeks, but "God's ways are not our ways," and he in his wisdom has ordered plans changed for our dear sister and for us, as she has not been able to resume her work since. There is no better way to arouse interest and secure thorough work on the part of auxiliaries and individuals than to

have a visit from one who understands the field and its needs, and the few weeks' work done by our sister has resulted in lasting good. A sister writes: "The interest has increased wonderfully in West Tennessee Synod, and I want the Board to know that we attribute a great part of it to the work done by Miss Caldwell last fall." We see more and more the need of personal visiting, and we feel sure that many societies could not be in their present prosperous condition had it not been for the visitor. We feel that the few dollars spent in sending her out was well used, and was seed sown for a good harvest. Let us pray for her complete restoration that she may be able to take up this work again if it is God's will.

We have sent out and assumed the support of one new missionary during the year, Miss Rena Rezner, of Biggsville, Ill., who sailed for Japan late in the fall, in company with Rev. George G. Hudson and wife, and is now at work in the Girls' School. God has been good to us as a Board and as a denomination in preserving the lives of our missionaries and in crowning their labors with success. And although he has seen fit in his wise providence to afflict our dear brother, Rev. A. D. Hail, and has caused him to return to his native land for needed rest, we pray that he may soon be restored to health, and strength, and his loved work. Gladly do we welcome our returned missionaries, and especially are we rejoiced to have Mrs. Hail with us.

PRACTICAL SUGGESTIONS.

You have given nobly this year. Do not fall behind next year. Let every society at the beginning of the year determine to make some advancement, and work to that end. Do not wait until next April to begin. *Begin now.* At least $3,500 will be needed next year for our work in Japan, to say nothing of Mexico, Indian Territory, and home needs. During the war good soldiers were always watching for orders. Read carefully every thing you see in the *Record* or Church papers from head-quarters; every change among the officers, all notices, etc. Be prompt in all matters Forward money to Presbyterial Treasurer, if you have a Presbyterial Society, otherwise to the Treasurer of the Board. Write freely for suggestions and assistance. *Pray much.* Encourage the timid ones by introducing the sentence prayer, or the language of Scripture. Interest the children and young people. Keep before you the great commission, "Go teach all nations."

THE END.

This is the record of the year, the picture of the past twelve months. Life has to many of us a deeper meaning than it had when we were together one year ago; the outlook of our work is encouraging. Fields are opening to us, let us go in and possess the land. Let us give ourselves wholly to Christ, seeking the guidance of the Spirit, remembering that we are not our own, that we have been bought with a great price—the blood of Jesus.

Cumberland Presbyterian women, a voice is calling you, the fields are laden with whitening grain, thrust in your sickle and reap. "Well enough" is never attained, and it is scarcely possible to stand still; we must either go backward or forward – let it be forward. In God's name look upward and press onward, giving your hand and heart to the work, for

> Shall we whose souls are lighted
> With wisdom from on high—
> Shall we, to men benighted,
> The lamp of life deny?
> Salvation, O salvation!
> The joyful sound proclaim,
> Till earth's remotest nation
> Has learned Messiah's name.

MRS. J. C. MCCLURKIN, *Cor. Sec.*

FOREIGN SECRETARY'S REPORT.

Each year has told its own story of the faithful, earnest labor and laborers, and this the seventh link or year in the chain, still gives greater evidence of the moral, spiritual, and educational development of all branches of our foreign work, through all of which we see the guiding power of our heavenly Father's divine hand, and with hearts full of rejoicing, we exclaim, "Glory! Glory to God in the highest!"

We open the record of the year with three new names added to our foreign ranks, that of Miss Rena Rezner, sent out by the Woman's Board, and Rev. George G. Hudson and wife, by the Assembly's Board, who set sail in November, landing in Japan, December, 1886. Their experience in these few months coming back to us, telling of the boundless amount of work to be done there to raise the countless numbers out of moral darkness and depravity, and the few who have gone forward in the strength of the spirits called to do this work, constrain to ask, "Where are the reapers?" Listen to this letter lately received, and it may be the invitation to some hesitating one to-day. . . . . .

Mrs. Hudson and Miss Rezner have enthusiastically engaged in the work. Miss Rezner is earnestly laboring in the Mission School, and in any part of the work that is within her power to do, between the hours she devotes to the study of the Japanese language and the school work. She longs to master the language that she may be the more able to tell and teach Christianity to all classes. Mrs. Hudson, during a part of each day, gives music lessons in the Girl's School, which amounts to about thirty a week. The other part of the day is spent with Mrs. A. D. Hail's work classes and the study of the language. This latter, they write us, "is the burden of their lives." With the amount of work that demands their time, and the difficulties of the language, their greatest regret is that they "had not come to the field earlier." Surely, in these four months of their new service, they have faithfully answered that voice which cried: "Thrust in thy sharp sickle and gather the clusters of the vine."

WAKAYAMA.

This is still the home and mission field of Miss Orr and Duffield. Here the work has been maintained with increasing interest. Miss Orr, in writing said: "The year opens up with more work in every direction with flattering prospects." The English School, reported last year, to which these young ladies still give one hour and a half, is reported full to overflowing, having an enrollment of 120 pupils. This has been so approved by the government officials, that these have proposed to give a new school building, pay salary to two English teachers, and continue the management as a Christian school, if they will lengthen the one and one half hour spent now to three hours a day. The ladies will leave the proposal in the hands of the mission for consideration. Miss Orr, besides the school work, has regular Bible classes for men and women; work classes for women; has organized a Woman's Foreign Mission Society, the report of which would emulate the energies of some of our weak societies at home to more prayerful efforts. The latest report from it was that this society, by dues, thank-offerings, knitting, etc., had donated ten dollars or more to their Church. Good for the Woman's Foreign Mission Society of Wakayama! With this work she has also two splendid growing classes, respectively twenty and ten miles from Wakayama, at Iawasa, and Iwade. At Iawasa the class numbers twenty men and women, whose interest and number are constantly growing. Here they expect to organize a temporary Church. The latter is a newer work, where there are six in the class.

Miss Duffield is still busy with the language and progressing rapidly, making each day stronger friendships with the natives. She is engaged from 3:30 to 5 P.M. each day in the English School, in which, using her own words, "Affords such good opportunities for studying the language and the people whom we have to lead into a purer, higher life." She has her own regular Bible classes in English, besides taking Miss Orr's Sunday

classes while on her circuit work. Miss Duffield's opportunities for usefulness are so many that we are confident they will not pass unimproved. Her heart is "longing, as never before, for the salvation of souls." We deeply regret that she must be left to "hold the fort" alone, or that the work must be for a time retarded. It seems the Lord's will that Miss Orr should be called from her plans and duties, which she has borne faithfully, to duties at home in America. As God has called her from this work, we feel that he will commit this work, so zealously begun, into other hands that will carry it through to "His name's honor and glory." Surely a field so promising as this should be won to Christ. As co-workers let us not be idle in praying that another may be speedily called to this work. I would suggest that this station be one of the points of consideration under "the future work of the Board," conjointly to the Mission's advice.

Miss Leavitt's work during the year has been richly divided between Shingu, Kishu, Osaka, and other points. She returned from Shingu in September, where she had spent several months filling the varied positions of teacher, adviser, class-director, and Christian friend. In speaking of the time spent here, she says: "It was the hottest, busiest, happiest time (though summer) I ever spent in Japan. I have never watched the Spirit's work with more interest than in a class of five young men in the Shingu school, who added the Bible to their spelling lesson. We studied the Gospel of Matthew, afteward John, which we completed before I left, and the result was all but one of these, with eleven others, were baptized a few days before I left by Rev. J. B. Hail—this being the largest number ever baptized at any one time in the Cumberland Presbyterian Church in Japan. Here another field is opened bidding harvesters to come.

The unexpected changes in the work called her to Osaka to teach in the Boys' School started there this year by the Mission. In this she taught half of the day. Then starting at 12:30 she used the rest of the time in Bible and training classes, visiting homes to teach those who can not come to her. Thus her time is filled in busy days, and joy in doing the Master's work. We hear from the pen of one in the field that "Miss Leavitt is not only busy, but happy, in doing as much work as time will allow, but in a quiet, modest way."

WILMINA MISSION SCHOOL.

As we come to speak of this, we hardly know where to begin. Our long-cherished hopes in this regard are at last realized, and with thankful hearts we are proud to be able to announce a nice new school building standing to-day on the site of the old one, lot 22, and one half of 19 on Concession. Aside from this, plans are shaping a residence for the teachers, which they hope to contract with the funds on hand. Their old house was not worthy the name of "a home," lacking all comforts, hence the plans for the new. Mrs. Drennan sends "thanks, a thousand thanks, and a God's blessing to the women and children of the Church for these new joys and comforts."

This building will accommodate fifty boarders and as many day pupils. This will relieve the long-felt embarrassment in which Mrs. Drennan has so patiently and faithfully labored all these years. The present enrollment is sixty pupils, twenty-eight of whom are boarders, with several waiting until the completion of the new building. At the examination in December last were three graduates who have taken their places as teachers at the following stations: O Yei San, at Shingu; Kosui San, teaching the kindergarten at Tanabe; O Youj San, in Kishu, as Miss Leavitt's helper. Those pupils still remaining in the school, and sustained by individuals, bands, or societies, are as follows: O Sane San, Evansville Band; O Tsura San, Pleasant Hope, Mo.; O Ume San, Nashville, Tenn.; O Hara San, Danville, Ky; O Toyo San, Madisonville, Ky.; O Talka San, Kansas City, Mo.; O Kagi San, Rev. W. O. H. Perry; O Same San, Mrs. G. R. Hill; Tsukushi San, Mrs. E. C. Williams; Kosano San, Mrs. Wilcox; Tadzura San, Rev. G. W. Van Horn.

These give evidence of a new life begun within, as a "high standard of

conduct," "tenderness of conscience," "a desire to overcome personal faults." Had we time and space I might quote from letters many, very many encouraging facts showing the progress the pupils are making and the power they are growing to be in doing their part to evangelize Japan. I will leave those who are present with us from the field to-day to give any further points connected with any branch of the work that I know I must omit. Mrs. Drennan's work, like the other missionaries, is not confined to one branch, but stretches in many directions. She has organized a Young Men's Christian Endeavor Society, which she says is "a sight that gladdens her heart beyond words." It has passed its first year of work, and shows an enrollment of forty-five regular members with many who regularly attend. Another organization of a "White Cross Society," the latest organization made, and from a late order for literature and pledges, shows that it means to live and develop. A letter published in our report will give full details. The C. L. Society, organized nearly two years ago, at last account numbered about one thousand four hundred. These, with much else besides, assures us that she is abundant in labors for Jesus.

No more fitting report could we give of our missionaries than that from a letter of one in the field, who can see and justly judge the work of all. We quote as written to the Board: "The missionaries are all of them each in the place God has called them doing a *splendid work*. Could you see them each in their work, you would not cease to thank God for your missionaries, and pray for *more* such workers." There are so many important ways and means employed to draw the people to Christ, that we can not picture all in detail. In fancy let us see them in classes knitting, crocheting, sewing, taking instructions in American cooking, besides the greatest—the study of the Bible—and then "we only see in part" the work of the missionaries. We commend them in prayer and love to that sweet promise of God: "To those who for my name's sake have labored with patience and not fainted, I will give to eat of the tree of life in the midst of the paradise of God."

WELCOME HOME.

It is our great pleasure as a people and a Church to voice these words to Rev. A. D. Hail and wife to-day. God bless them! We rejoice we can meet them heart to heart and hand to hand in our annual meeting to discuss with us the great problem of Foreign Missions; while we deeply regret that it was ill-health that brought them to the home land, yet we know "God doeth all things well," and the seed on foreign soil will not perish, but be a rich harvest for the Master's garner in the years to come. They have already given us rich glimpses into the homes and work of Japan, and they say, "they have only begun."

MISCELLANEOUS.

The three young ladies who offered themselves a year ago, Miss May and Agnes Morgan, and Miss Westfall, are still candidates for the foreign field, but their time of going has been indefinitely postponed, that they may prepare themselves in such a line of study as will best fit them for the demands of the field, especially in thorough Bible study, as this knowledge is above all, when coupled with "a good education, experience, and sound judgment." These are the special qualifications for a missionary to Japan, we are told.

The announcement of new missionaries for Japan inspires the people of our Church, and happily suggests a good opportunity to father, mother, sister, brother, friend to send their tokens of love and good-will. Accordingly, last fall these tokens were all collected and sent as a "box" to Japan in care of Rev. Mr. Hudson. Its contents representing all variety of ware, sent by representatives of all ages, from the babe of eighteen months, to the sire of sixty years. Many hearts were made happy in both the filling and emptying this "box."

The latest news from Japan tells us that the city lots bought a few years ago for the building site, have been disposed of for $494 (silver). This has

been urged for some time owing to the arbitrary action of the government, to allow certain rights. This, with $1,783 sent from the Woman's Board's treasury will complete and seat a pretty commodious school-building, and we hope as planned, a residence for the teachers. The school-house is built, but let us remember this is not all; it needs equipments, such as books for their library, school-books, maps, globes, apparatus of any kind, or instead of these, money will do from any one, and will be thankfully received.

This outlined sketch of our field is but a glimpse comparatively into its vastness. Its importance is so manifest that we are constrained to ask, "Shall we relinquish any portion of so grand a field? Shall we hold the cup of salvation to thirsting souls, and then cruelly withdraw it?" This is for the Christian women of the Cumberland Presbyterian Church to answer. The work has its needs, and we appeal to you to know if these needs can be met.

In the first place we need missionaries of rare experience and consecration. In almost every letter comes the cry, "More missionaries." The Lord only knows the immensity of the demand. Are there none among us who hear the Lord saying to them, "Go, carry my gospel to the heathen?" We need able and consecrated women at home to count it their greatest and highest privilege to be co-workers with their divine Master, and who with re-consecration of self will declare, "I will give my hand and heart to this work."

We need earnest and united prayer that our hearts may be enlarged and the work strengthened. Every letter is freighted with requests for prayers for special objects in the work, as well as the work as a unit. This year let all workers pledge themselves to pray heartily for all branches of the work at all their meetings as well as privately. Prayer leads the heart to God, and he always listens.

May God direct us and bless us and teach us to go forward this year, remembering at all times "to be steadfast, immovable, always abounding in the work of the Lord."

Respectfully submitted.

ANNA L. FORSYTHE,
Foreign Secretary.

II.—PUBLICATION.

REPORT OF THE BOARD OF PUBLICATION.

To the General Assembly of the Cumberland Presbyterian Church:

REVEREND AND DEAR BRETHREN:—As your Board of Publication we submit the following report for the financial year closing April 30, 1887:

Since our last report to the General Assembly three vacancies have occurred in the Board. Our much esteemed brother, W. F. Nisbet, was suddenly removed by death. The vacancy caused thereby has been filled by the election of Rev. W. J. Darby, D.D., of Evansville, Ind. The Rev. J. P. Sprowls, D.D., having resigned his pastorate of the First Cumberland Presbyterian Church in Nashville, also resigned his membership in the Board, and his place has been filled by the election of Rev. J. C. Provine, D.D. Mr. Isaac T. Rhea, because of his private business engagements and other personal considerations, has also resigned. His place has been filled by the election of H. Parks, Jr., of Nashville, Tenn. The three brethren who have thus ceased to be members of our Board have, with an eye single to the best interests of the Church, given much of their time and thought to the work, and have rendered valuable service.

CUMBERLAND PRESBYTERIAN.

This periodical continues to maintain the high character that it has heretofore attained, if, in fact, it has not been materially improved during the year. The ordinary efforts made to increase its circulation having proved only partially successful, it was decided, upon the urgent suggestion of the editors, to try the experiment of offering it to new subscribers at reduced rates for a limited period. Until the 15th of May, 1887, the subscription price to new subscribers was fixed at $1.50 in clubs of four, at $1.25 in clubs of ten, and at $1.00 in clubs of twenty. The result has exceeded the expectations of the Board The paper now has 13,700 subscribers, an increase of 3,400 since the last report, and the largest list by 1,500 that it has ever had.

As has been stated in former reports, the Board deem it of the highest importance that the paper should have a large circulation. Both its usefulness in the Church and its revenues will thereby be increased. The Board think that efforts should not be relaxed until 15,000 permanent subscribers are obtained. This is certainly not an unreasonable number for a membership as large as ours. Less than that number will not secure to it the efficiency which it ought to possess. With the increased revenue derived from such a list, the ability of the Board to accomplish more in the publication of books and tracts would be effectively and permanently secured.

In view of the success attained by these reduced prices for new subscribers, the Board has already determined to continue them until the 15th of June, by which time we confidently believe the number of 15,000 will have been reached. We do not believe, however, that any permanent reduction in price should be made. For a paper of its size and character $2.00 is certainly a low price, and one which will bear comparison with that of any similar journal in the United States.

SUNDAY-SCHOOL PERIODICALS.

The Sunday-school Gem now has a circulation of 14,000, an increase since last report of 400. *Our Lambs* has a circulation of 20,500, an increase of 2,500 since our last report. *The Comments* has a circulation of 21,000, an in-

crease of 4,000. The *Rays of Light* has a circulation of 14,000, an increase of 3,500. *The Lesson Leaf* has 21,000 subscribers, an increase of 1,000.

It will thus be seen that all these periodicals are growing in patronage, and they are certainly not deteriorating in character. From the report of your Superintendent of Sabbath-schools, as well as an actual count from our books, it seems that there are, out of about 2,500 congregations, only about 1,200 Sunday-schools taking the Church's Sunday-school papers. This is owing partly to the fact that a number of the congregations have no Sunday-schools, and a large number of the schools are union schools and feel constrained to use undenominational literature.

Books.

We had expected that the History of the Church, in course of preparation by Rev. B. W. McDonnold, D.D., would have been issued from the press before this. He is now at work on the sixth and last period, and 391 of the pages are already set up and electrotyped. We hope to have it ready for sale in two or three months. The time consumed in writing it, and consequently the cost of the work, is greatly exceeding the expectations of both the author and the Board. He assures us, however, that the work could not be properly done in less time. When this book is completed we hope to be able to follow it very soon with two or three others.

Machinery.

During the year we have purchased another printing press and a cutting, folding, and pasting machine, at a cost of $1,850; and also a stitching machine for the bindery at a cost of $425. This machinery enables us to do the Church's work better and with more promptness and less expense, and also to do more work for other persons on which some profit is realized In the valuation of all machinery and fixtures, not including stereotype plates, we have continued each year to deduct ten per cent., for wear and tear, off of the valuation of the previous year, so that the present valuation is a very safe one.

Finances.

It will be noticed from the balance sheet that the business has yielded this year a net profit of $8,189.00. This is gratifying, and yet with the increase of subscribers to the *Cumberland Presbyterian* and Sunday-school periodicals which ought to be secured, and the sales of books which we will make during the next fiscal year, it can be increased.

This profit has gone into the following items:

We regret to have to reduce our assets this year $3,421.74 below what they would otherwise be, because of that amount of debts due us which have proved uncollectable. They consist of a debt of $2,070.51 due from

Edwin Alden & Bro., of Cincinnati, advertising agents, and some smaller debts due from other parties, all of which were contracted prior to 1886, and some of them dating back several years prior to that time. The debts due the house and embraced in the assets of this year are generally good, and none of them doubtful enough to be charged off. Some loss in their collection, however, is inevitable.

With renewed efforts on the part of us all—members of the Board, editors, and agent, preachers and people—let us especially ask the blessing of God this year on our work, and confidently expect a degree of prosperity which we never yet have seen. Your brethren in Christ,

III.—MINISTERIAL RELIEF.

ANNUAL REPORT OF THE BOARD OF MINISTERIAL RELIEF.

To the General Assembly, at Covington, Ohio, May, 1887:

The record of another year's progress in the cause of Ministerial Relief has closed. The work has been pleasant, and the results are happy and encouraging. In the most conscientious manner of which they are capable, the members of this Board have given their personal attention to the trust committed to them by the Church. No recital of need or distress has been too long for them to read and to consider with care and sympathy. They have endeavored to think of the welfare of the beneficiaries of this Board as they would regard the interests of their own personal friends. At the meetings of the Board their names are mentioned, letters from them are read, the circumstances of their families are inquired into, the relative needs of each are considered, and appropriations are made in the light of all the facts in each particular case. We have come to feel that these households are very near to us, and nothing we can do for their comfort will be left undone.

The extent of co-operation with this Board by the Church, during the past year is shown by the following figures: Contributions received from seven hundred and forty-seven congregations, representing one hundred and nine Presbyteries, and the entire list of twenty-four Synods, from three Presbyterial and one Elders' and Deacons' meetings, from one hundred and thirty Sabbath-schools, representing fourteen States, and from one hundred and five individuals.

This is an increase over last year of two hundred and sixty-nine congregations, one hundred and twenty-four Sabbath-schools, and thirty-two individuals, all aggregating $1,958.95 more than was reported last year.

Regarding the channels through which the Church is expected to develop and maintain the work of this Board, it must be remembered that the Presbytery is the center of influence and power. It is very desirable, therefore, that the interest of this cause be fully considered at each meeting of Presbytery, to the end that every congregation may be brought into active co-operation with the Board. Upon the Presbyteries we rely also for information to guide us in making appropriations; care should be taken to recommend only such as are certainly deserving of aid, and in every instance the fullest and most accurate details should be given. The Presbyteries, from whose bounds no offering has been received during the year, are Buffalo Gap, Florida, Illinois, Miami, Muskingum, Nolin, Oregon, Springville, and West Plains.

A part of our established policy is to make the work of the elders an important factor in the development of this enterprise. A good beginning was made at Sedalia, last year, in the organization of an Elder's Association, as auxiliary to this Board. The Corresponding Secretary, Elder T. M. Hurst, of Nashville, Tenn., has done excellent service, the value of which the Board hereby gratefully acknowledges. We trust this association will be continued, and that the elders of the entire Church may be led to feel their responsibility toward the disabled ministry, and those dependent on them, as they recognize their duty to support those in active service.

Special effort was made the past year to enlist the Sabbath-schools, and we are glad to say it has been attended with a good measure of success. What has been done, however, may be regarded as but the beginning of

what may be accomplished in this direction. Presenting the cause to the children will instruct them as to the mutual relations and obligations of the Church and the ministry, while their gifts will make glad the hearts of the enfeebled and the orphan. We ask the General Assembly to name the third Sunday in November as Ministerial Relief Day for the children, at which time the nature of this cause will be explained to the children and youth of the Church, and an offering will be made by them for its treasury.

During the year some of those who have been comforted by the gifts of the Church through this Board have been set free from their sufferings, and have entered into rest. These are Rev. F. M. Moses, of Bell Presbytery, Rev. J. J. A. Roach, D.D., of Guadalupe Presbytery, and Rev. G. M. Browne, of Ozark Presbytery. These were noble, consecrated men, and it certainly must be a gratification to all contributors to the Relief Fund to know that they have assisted in making the last days of such men peaceful and comfortable.

In July, 1886, Brother Watkins F. Nisbet, one of the charter members of this Board, was called to his reward. For many years he had been an elder in the Church at Evansville. His private life was consistent, his official obligations were performed with a scrupulous regard to duty, and he ranked among the most trusted and efficient leaders of the city, and of the Cumberland Presbyterian Church. His last earthly labor was to attend a meeting of this Board. He was a good and useful man, wise in counsel, liberal in his gifts to the Lord's treasury, and we gladly do honor to the memory of his noble life.

The Board has selected his son, Watkins F. Nisbet, Jr., as his successor, and you are asked to confirm this action.

The list of those receiving aid through the Board is steadily increasing. The first year the list comprised four names, the second year twelve, the third year sixteen, the fourth year twenty-five, the fifth year twenty-six, and this year there are forty-three. Of these, twenty-one are ministers, and twenty-two are families of deceased ministers. Still other applications are pending. A considerable balance is held in the treasury to meet demands that are certain to arise before the quarter assigned for collections for this fund.

We submit herewith for your inspection the applications for aid that have come to us from the Presbyteries, that you may be fully informed regarding the disposition of the money which has come to the treasury of this Board.

We thankfully acknowledge the kindness of the Board of Publication, which has done about one hundred dollars' worth of printing for us free of cost.

We present as a part of this report the annual statement of the Treasurer of the Board, showing contributions by congregations, Presbyteries, Sabbath-schools, and individuals. We rejoice over the cheering exhibit which the liberality of the Church enables us to make. May we not hope for corresponding figures to be made during the coming year?

All of which is respectfully submitted.

W. G. RALSTON, *President.*

IV.—CORRESPONDENCE.

EVANGELICAL UNION, SCOTLAND.

To the General Assembly of the Cumberland Presbyterian Church, United States of America:

DEAR FATHERS AND BRETHREN—We, the undersigned, as representing the Evangelical Union of Scotland, send our Christian greetings unto you in the name of the Father, Son, and Holy Ghost, whose we are and whom we serve in the gospel. May grace, mercy, and peace be upon you all, as at present assembled, and upon all the Churches and educational institutions connected with your section of the vineyard of Christ.

We were glad to hear, by the fraternal letter read at our annual Conference meeting, of your growing prosperity in all departments of Church life and work. Your noble efforts, not only to spread abroad the glorious gospel among your own people at home, but also to send forth missionaries to the dark places of the earth, have awakened our admiration and stimulated our zeal. Knowing, as we do know, your struggles to sustain and extend the usefulness of your own Churches, the way that you have thrown your energies into Foreign Mission work, and the sacrifices you have made to increase its influence, has led us to thank God on your behalf, and to pray that his richest blessing may attend your labors in this direction.

We also note with pleasure that you are not sparing self-sacrificing efforts to place your theological schools on a solid foundation, and make them fully efficient for the great mission they have to accomplish. A thoroughly trained ministry is a greater necessity at the present moment than ever it was. It is to be hoped that the time will never come when learning will be all that will be required by the ministers of your Church. Faith, earnestness, unction from the Most High, devotion to Christ, and a thirst to save and sanctify souls are the requisites of the ambassadors of the cross. But all these are rendered all the more powerful in the hand of the divine Spirit when the mind has been disciplined and stored with sacred knowledge in what may be called the New Testament school of the prophets. Education is spreading among all classes, and if the preacher of the gospel is to have power with the people he must be a polished shaft, and one who can speak with knowledge as well as with grace. The future of all Churches is in the hands of the present students of theology, and as they are trained and equipped, so will the Churches be strong and powerful for accomplishing the salvation of the world, and making meet for heaven those who believe. It is matter for great gladness and profound thankfulness that your schools of sacred learning are becoming more efficient as the years roll past.

For ourselves, beloved fathers and brethren, we hold on our way endeavoring as best we can to preach "Christ for every man," and rejoicing to claim every man for Christ. During the last forty years a marked theological change has passed over Scotland. Forty years ago, or less, those maintaining that Christ really tasted death for every man, and that God honestly and really desired the salvation of all men, were spoken of and treated as heretics, who should neither receive aid nor countenance. Now, we are happy to say, this is all but a thing of the past. The seeds of a liberal evangelical theology which we have sown by means of the press, from the platform, and the pulpit, have taken root and brought forth fruit; and this, along with some other agencies, such as the revival work of your own Moody, has practically banished all unconditional, fatalistic, and limited doctrines of God's love out of the pulpits. There is now a strong and increasing desire in the most orthodox of our denominations to have a revision of the Westminster Confession of Faith. It is felt that that venerable

document no longer represents the living faith of the Church. Its revision, therefore, is only a question of time. And when this time comes it will be found to be in the direction of the views of divine truth so clearly and ably formulated in your own Symbolical Book. Indeed, we think that you might confer a boon on not a few, in this the land of Knox, if you would send a copy of your Confession to the leading men of our Presbyterian Churches. The theology therein embodied is the one that the sinning, suffering, sighing world wants. It is, moreover, the one which is most in harmony with the facts, principles, and doctrines of the word of God. May it be yours in the United States of America, and ours in the little but ancient kingdom of Scotland, to make it known that Christ may thereby be made to see of the travail of his soul, and be satisfied.

And now, fathers and brethren, we commend you to God and the word of his grace. "Now, the God of peace that brought again from the dead our Lord Jesus, that great Shepherd of the sheep, through the blood of the everlasting covenant, make you perfect in every good work to do his will, working in you that which is well-pleasing in his sight through Jesus Christ, to whom be glory for ever and ever, Amen."

PRESBYTERIAN CHURCH (NORTH).

Rev. T. C. Blake, D.D., Nashville, Tenn.:

DEAR BROTHER:—I herewith inclose to you a resolution passed by the General Assembly, of which I am the Stated Clerk, at its last annual meeting. Will you kindly present the same to the honorable body of which you are the Stated Clerk? Yours fraternally, WM. H. ROBERTS.

Cincinnati, Ohio, May 13, 1887.

The following Minute on Conference with other Presbyterian Churches was adopted in 1886:

The General Assembly of the Presbyterian Church in the United States of America, in session at Minneapolis, Minn., recognizing its obligations to consult, not only for the special interests of the Church which it represents, but also for the larger interests of the cause and kingdom of Jesus Christ in the world, as well as for the advancement of the principles of faith and order which we hold in common with other Presbyterian communions in this land; and noting further the increasing desire which is constantly manifested for closer Christian fellowship and intercommunion among those who bear the general name of Presbyterians, and who are now represented in the "Alliance of the Reformed Churches holding the Presbyterian system," does hereby declare its entire sympathy with this growing and most encouraging tendency toward closer fellowship as Christians and Presbyterians, believing it to be a token for good to all the branches of our Church in this country, and having in it, if wisely guided, the promise of freer and more hearty intercommunion between Churches now separate, and of a cordial co-operation in the work of Christian missions at home and abroad.

Further, in order to give practical effect to its own earnest wish, thus freely declared, this General Assembly would respectfully represent to all the Churches in this country now united in the Alliance of the Reformed Churches holding the Presbyterian system, that it is prepared to confer with them in any proper way in reference to co-operation in the work of extending the faith and order which we hold, and especially in regard to unity of effort and organization in the mission fields abroad; and the General Assembly hereby directs its Stated Clerk to transmit a copy of this Minute to the chief courts of these Churches for their consideration.

A true extract. WM. H. ROBERTS, S. C.

REPORT OF REV. W. J. DARBY.

To the General Assembly of the Cumberland Presbyterian Church, Covington, Ohio:

DEAR BRETHREN:—As a member of the American Section, Executive Commission, Presbyterian Alliance, I beg to inform you that at a meeting of said Commission, held April 20, 1887, the following was adopted:

"That as in the judgment of the Section an amount of money sufficient for our share of Alliance expenses will be in the Treasurer's hands, provided the assessments already made on the different Churches up to and including 1886 be received in full, that, therefore, no further assessment be made previous to the Alliance meeting in 1888. The Section, however, earnestly requests the payment of the existing assessments as essential to the needs and credit of the American Churches represented in the Alliance."

From this you perceive that, after paying the assessment now due, the General Assembly will not be called upon to meet another before its session in 1889, unless some unforseen contingency should arise. I take the liberty of saying that if the General Assembly should prefer to pay one half of the assessment now due at present, and the remainder a year from this date, it would be entirely satisfactory to the Executive Commission.

I am pleased to report to you that at all times since our admission into the Alliance the most cordial and fraternal spirit has been manifested toward the Cumberland Presbyterian Church, and many have been the expressions of gratification that the denomination is thus enrolled with her sister Churches constituting the great Presbyterian family.

The inclosed certified copy of the action of the Alliance Committee on Co-operation in Foreign Missions is herewith submited for your information. Rev. A. D. Hail can explain the circumstances leading to this action.

Fraternally yours, W. J. DARBY.

Evansville, Ind., May 21, 1887.

PRESBYTERIAN ALLIANCE.

Organized London, July 21–23, 1875. First General Council, Edinburgh, July 3–10, 1877. Second General Council, Philadelphia, September 23 to October 3, 1880. Third General Council, Belfast, Ireland, June 24 to July 3, 1884.

PREAMBLE TO CONSTITUTION.

WHEREAS, Churches holding the Reformed Faith, and organized on Presbyterian principles, are found, though under a variety of names, in different parts of the world; and

WHEREAS, Many of these were long wont to maintain close relations, but are at present united by no visible bond, whether of fellowship or of work; and,

WHEREAS, In the providence of God, the time seems to have come when they may all more fully manifest their essential oneness, have closer communion with each other, and promote great causes by joint action;

It is agreed to form a Presbyterian Alliance, to meet in General Council from time to time, in order to confer on matters of common interest, and to further the ends for which the Church has been constituted by her divine Lord and only King.

In forming this Alliance, the Presbyterian Churches do not mean to change their fraternal relations with other Churches, but will be ready, as heretofore, to join with them in Christian fellowship, and in advancing the cause of the Redeemer, on the general principle maintained and taught in the Reformed Confessions that the Church of God on earth, though composed of many members, is one body in the communion of the Holy Ghost, of which body Christ is the Supreme Head, and the Scriptures alone are the infallible law.

ARTICLES.

I. DESIGNATION.—This Alliance shall be known as "The Alliance of the Reformed Churches throughout the world holding the Presbyterian system."

II. MEMBERSHIP.—Any Church organized on Presbyterian principles, which holds the supreme authority of the Scriptures of the Old and New Testaments in matters of faith and morals, and whose creed is in harmony with the Consensus of the Reformed Confessions, shall be eligible for admission into the Alliance.

III. THE COUNCIL.—

(1) *Its Meetings.*—The Alliance shall meet in General Council, ordinarily, once in three years.

(2) *Its Constituency.*—The Council shall consist of delegates, being ministers and elders appointed by the Churches forming the Alliance; the number from each Church being regulated by a plan sanctioned by the Council, regard being had generally to the number of congregations in the several Churches. (3) *Its Powers.*—The Council . . . . shall not interfere with the existing Creed or Constitution of any Church in the Alliance, or with its internal order or external relations.

From the foregoing it will be seen that the Cumberland Presbyterian Church, since it has as many as two thousand five hundred congregations, is entitled to thirty-two delegates. The next Council meets in the city of London, England, 1888. It is expected that the delegates sent by each Church shall be composed of about the same number of ministers and laymen. The Rev. W. J. Darby, D.D., Evansville, Ind., who is a minister in the Cumberland Presbyterian Church, is now a member of the Executive Committee.

V.—EDUCATION.

REPORT OF THE BOARD OF EDUCATION.

To the General Assembly of the Cumberland Presbyterian Church:

We are glad to report an increase of interest in this department of Church work during the past year. More congregations have taken collections and forwarded to the Board than ever before in its history. This increase is doubtless due to the attention given the subject by our ministers—especially due to the attention given by our Church paper.

We are sure that not a tithe of the amount the cause demands, or our people should give, has been given to education. Still, this year has been so much better than any other that we feel greatly encouraged, and predict a much better future.

CHURCH SCHOOLS.

So far as heard from the schools of the Church have had unusual prosperity. Reports show a healthy increase in number of students, and value of school property.

Bethel College matriculated for the year just ending two hundred and thirty students. Of this number sixteen are preparing for the ministry and receive tuition free. The school property is valued at sixteen thousand dollars. Seven regular teachers and three lecturers are employed in the institution.

Trinity University reports a year of marked prosperity. Two hundred and eighty students have been enrolled—twenty-five candidates for the ministry, all of whom are taught free of charge. One wing of the new building has been completed at a cost of ten thousand dollars. The productive endowment has been increased by the addition of nine thousand dollars. The university is fortunate in having an annual income of five hundred dollars to be used in assisting young ministers through school.

ENDOWMENT AGENT.

Rev. J. S. Grider, the agent, is going steadily forward with this work. The wisdom of the General Assembly in calling him to this place has never been doubted. He can not succeed in endowing our Theological School in a day, nor in a year, but he can and will succeed if God spares him to us for a series of years. We are of the opinion that no man in the Church is laying the foundation for a greater work for God and the Church than he.

The following, which is the report of the Auditing Committee will give the results of the Agent's work:

To the Board of Education.

We have examined the accounts of Rev. J. S Grider, Agent, for the seven months commencing October 1, 1886, and ending April 30, 1887.

J. P. SPROWLS,
JOHN FRIZZELL.

May 3, 1887.

It will be seen by comparing this report of money paid out to Treasurer of University, and the report of money received by him, that he reports much more than is here given. This difference is because many of the notes secured by Agent and turned over to him have been paid.

Many of these notes fall due very soon, and most of them being on interest, are already yielding an income.

The members of the Board feel that the wisdom and discretion of the Agent can not be too highly commended. After careful study of the work done by him the following expression of confidence was by unanimous vote ordered recorded on Minute book:

The Board of Education in meeting assembled this twenty-second day of October, 1886, do express our entire satisfaction with the work of Rev. J. S. Grider, our Agent for the Endowment of Cumberland University during the past year. The collections, promises, and notes, taken by him during that time, more than meet our most sanguine expectations; therefore,

Resolved, That Brother J. S. Grider not only has our hearty approval for past efforts in behalf of Cumberland University, but our sincere approbation, good wishes, and prayers for his future success in this grand work. We firmly believe that our brother under divine guidance will accomplish this great and good work for Cumberland University and for Christ.

REPORT OF TRUSTEES OF CUMBERLAND UNIVERSITY.

To the General Assembly of the Cumberland Presbyterian Church, in Session at Covington, Ohio:

The past college year has been one of encouraging prosperity to the University, and its Trustees and friends have occasion to thank God. There is a decided increase in the number of students over the preceding year. The Catalogue of 1885–6 showed a total attendance of two hundred and nineteen. The total for the present year will exceed two hundred and fifty. The Preparatory School has about maintained its former number. The increase is in the College Classes and in the Law School. The loss is in the Theological School, the attendance in that department not being so large as for the last year. The statistical table in the last Minutes of the General Assembly show two hundred and thirty-one licentiates and two hundred and eighteen candidates for the ministry in our Church, making a total of four hundred and forty-nine young men to whom the Church must look for the preaching of the gospel to our children. A small fraction over ten per cent. of this number are being educated at Lebanon. A like number are, perhaps, attending other schools. It is a fair estimate, perhaps, to say twenty-five per cent. of the whole number are receiving the benefits of college training. The remaining seventy-five per cent. are neglecting, or—for the want of means—are unable to avail themselves of the opportunity of youth in preparing for the great work of the Master. The Trustees have no right to make suggestions to your reverend body, and in this case they would not know what to suggest as a remedy for this unfortunate state of affairs They will say this much: Cumberland Presbyterians are not born educated, nor are they born preachers. They must be educated and prepared to preach.

The correspondence of the University this spring has been more widely extended than ever before in its history. The Chancellor is in daily receipt of letters of inquiry from every part of the country, and especially is this noticeable as to the North and North-west. The indications are that there will be a much larger attendance from that region of the country during the next year than ever before. As an educational enterprise, the University is extending its influence over wider fields year by year. Let it be the prayer of all its friends that its influence for good may keep pace with its mere worldly prosperity. The Board of Education will report the work of Rev. J. S. Grider, as the Endowment Agent. He has paid over to the Trustees, in actual cash, since our last report, the sum of $3,118.62. The funds as received by the Trustees are promptly invested in the best interest-bearing securities that can be had, or in first-class real estate mortgages. The Minutes do not undertake to state further any thing concerning the work of Brother Grider, except that it has been successful beyond all expectation. Your attention is called to the report of the Board of Education. The Trustees report nothing as endowment except actual cash received. Past experience has satisfied the Board that this is the only proper course to pursue.

Since the last annual report Judge W. H. Williamson, a member for many years of the Board, has died. He was a valued member of the Board, a gentleman of the highest culture and integrity, and for long years served with fidelity the interests of the University.

Since the last report three new Trustees have been elected, to wit: John A. Lester, J. W. Fitzgerald, and W. R. Shaver. These gentlemen are all widely known to the Church, and are of the highest character. One will be recognized as the pastor of the Lebanon Church, and the other two are ruling elders in our denomination. The Board respectfully ask that the election of these gentlemen as Trustees be confirmed by the General Assembly.

Respectfully submitted.

ANDREW B. MARTIN,
President Board of Trustees of Cumberland University.

A. F. CLAYWELL,
Secretary Board of Trustees of Cumberland University.

Lebanon, Tenn., May 16, 1887.

VI.—BOARD OF TRUSTEES.

To the Moderator and Members of the General Assembly of the Cumberland Presbyterian Church, to meet at Covington, Ohio, on the 19th day of May, 1887:

The Trustees of the General Assembly of the Cumberland Presbyterian Church hereby submit to your reverend body their Annual Report:

1. The Doherty Fund is all safely invested in county bonds in the State of Kentucky, and the interest on the same has been collected and paid to the Trustees of Cumberland University for the use and benefit of the professors in the Theological School, as directed by deed of gift.

2. A residuary bequest made by the late Mrs. Clara Donnell, of Athens, Ala., has been collected and placed in bank, in Elkton, Ky. After paying a small attorney's fee, the bequest amounts to eleven hundred and seventy-two dollars and thirty-four cents, which amount is now subject to your order.

3. The late Luther Rawlins, of Christian county, Kentucky, in his last will and testament, devised to Rev. J. M. Gill, of Todd county, Kentucky, for the use and benefit of the Cumberland Presbyterian Church, the sum of two thousand dollars, to be disbursed as he, the said J. M. Gill, may think best. The said bequest will be due and collectable in about twelve months.

4. J. S. Coleman, a member of this Board, has recently died, and to fill vacancies in this Board, occasioned by death and removals, they have elected the following brethren, members of the Cumberland Presbyterian Church, subject to the approval of your reverend body, viz.: S. D. Chestnut, of Trenton, Ky., H. E. Conover and F. M. Pepper, of Elkton, Ky.

5. No other bequests or funds of any kind have come into the hands of your Board since their last annual report.

Respectfully submitted.

*From former reports.

The reports from the Stated Clerks show that 140 ministers bore letters of dismissal and recommendation at the time said reports were forwarded. Only a small number of these had had time to join other Presbyteries when the reports were made out. Still, only one half of the number has been added to the list of ordained ministers. Several were stricken from the roll who did not bear letters of dismissal. This was caused, no doubt, from inaccuracies of Stated Clerks of Presbyteries. There are, it is confidently believed, at least 1,600 ordained ministers. The entire tabular exhibit for the year, as will be seen by comparison with previous years, gives most gratifying results. During the year **13,995** were added on examination. The sum total of membership, too, is the largest by several thousand that has ever been reported. To ascertain accurately the amounts contributed to Missions, Education, Publication, and Ministerial Relief, see the reports of those Boards respectively, for in many cases money was sent to these Boards directly, and was not reported to Stated Clerks of Presbyteries. It will be seen that several Presbyteries made no reports for 1886. Previous reports were substituted. Had they reported, and had the ratio of increase been the same with them as with the Presbyteries which did report, the sum total of the membership would have been considerably larger. Could accurate statistics be obtained, the entire membership would not be less than **150,000.**

Statistics of the Cumberland Presbyterian Church, Colored.

The General Assembly of 1886 directed the Stated Clerk to embody in the Minutes the statistics, in brief, of the Cumberland Presbyterian Church, Colored. From the most reliable information at hand the following, it is believed, is a close approximation: Ordained ministers, 200; licentiates, 180; candidates, 200; Presbyteries, 22; Synods, 5; General Assembly, 1; and communicants, 15,000.

The General Assembly, in 1883, directed the Stated Clerk to close the year the first day of May. See Minutes for that year, page 44. The foregoing, therefore, shows the financial standing of each Presbytery on May 1, 1887. But all Presbyteries which have paid their dues since that time will, of course, receive the Minutes for this year. The reception of the Minutes is evidence of the payment of Contingent Tax. T. C. BLAKE, Stated Clerk.
